Home Sellers and Buyers Can Save Thousands with New Offerpad Bundle Rewards

5/26/2021

Chandler, Ariz. – Tech-enabled Real Estate Solutions Center and a leading iBuyer Offerpad, continues to streamline and simplify home buying and selling for customers by introducing **Bundle Rewards**. Now in metro Phoenix, customers can receive multiple discounts when simultaneously selling and buying a home with Offerpad, and by obtaining their home loan with Offerpad Home Loans.

The more Offerpad services a customer uses, the more they can save. The discounts can be earned by customers in various combinations, including:

- Selling a home to Offerpad and buying an Offerpad home
- Listing a home for sale with Offerpad while using an Offerpad agent to buy another home
- Selling with Offerpad EXPRESS and buying an Offerpad FLEX home
- Financing a home purchased with Offerpad through Offerpad Home Loans

“Convenience, simplicity, and cost savings are always at the forefront of the consumer’s mind,” said Ted Best, Offerpad’s Senior Vice President, Product Management. “With our new Bundle Rewards program, Offerpad now offers great savings while allowing us to double down on our promise of streamlined home selling, buying and financing. This will minimize the stress and hassles customers typically experience throughout more traditional real estate transactions.”

Offerpad’s Bundle Rewards is now available in the company’s **Phoenix market** in 36 cities and towns spanning more than 150 zip codes. The company plans to extend the program to other markets around the country in the coming months.
