PROXY STATEMENT

**FOR EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS
To Be Held On March 5, 2026**

This Proxy Statement is furnished to the holders of ordinary shares, par value NIS 0.01 per share (the “Ordinary Shares”), and to holders of American Depositary Shares (“ADSs”), evidenced by American Depositary Receipts issued by The Bank of New York Mellon (“BNY Mellon”), of RedHill Biopharma Ltd. (the “Company” or “RedHill”) in connection with the solicitation by the board of directors of the Company (the “Board of Directors” or the “Board”) of proxies for use at the Extraordinary General Meeting of Shareholders (the “General Meeting”), to be held on Thursday, March 5, 2026, at 3:00 p.m. Israel time at the offices of the Company, 21 Ha'arba'a Street, 16th Floor, Tel-Aviv, Israel, or at any adjournments thereof.

It is proposed at the General Meeting to adopt the following proposals or to consider the following items:

1. To approve the grant of restricted share units (“RSUs”) each with respect to one ADS (each representing 10,000 ordinary shares, par value NIS 0.01 each) to the non-executive directors of the Company;
2. To approve the grant of RSUs to Mr. Dror Ben-Asher, the Company's Chief Executive Officer and Chairman of the Board of Directors;
3. To approve the grant of RSUs to Mr. Rick D. Scruggs, the Company's Chief Commercial Officer, and Director; and
4. To approve an increase in the Company's authorized share capital.

The Company is currently unaware of any other matters that may be raised at the General Meeting. Should any other matters be properly raised at the General Meeting, the persons designated as proxies shall vote according to their own judgment on those matters.

Shareholders may present proposals for consideration at the General Meeting by submitting their proposals to the Company no later than February 23, 2026, in accordance with applicable law.

Shareholders Entitled to Vote

Only holders of record of ADSs at the close of business on January 23, 2026 (the “Record Date”), shall be entitled to receive notice of and to vote at the General Meeting. At the close of business on the Record Date the Company had outstanding 51,128,851,000 Ordinary Shares (represented by 5,112,885 ADSs), each of which is entitled to one vote on each of the matters to be presented at the General Meeting.

Whether or not you plan to attend the General Meeting, it is important that your ADSs be represented. Accordingly, you are kindly requested to complete, date, sign and mail the proxy in the envelope to be provided at your earliest convenience. Execution of a proxy will not in any way affect a shareholder's right to attend the General Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised.

Proxies

A form of proxy card for use at the General Meeting is attached to this Proxy Statement and has been sent to the ADS holders together with a prepaid return envelope for the proxy. By executing the proxy card and appointing “proxies”, ADS holders may vote at the General Meeting, whether or not they attend.

ADS holders should return their proxies in the enclosed form to BNY Mellon by the date set forth on the proxy card. If a properly executed proxy is received by BNY Mellon by the date set forth on the proxy card, all of the Ordinary Shares represented by the proxy shall be voted as indicated on the proxy card.

Subject to applicable law and the rules of the NASDAQ Stock Market (“NASDAQ”), in the absence of instructions, the ADSs represented by properly executed and received proxies will be voted FOR all of the proposed resolutions to be presented at the General Meeting for which the Board of Directors recommends a “FOR”. Holders of ADSs may revoke their proxies at any time before the deadline for receipt of proxies by filing with BNY Mellon a written notice of revocation or duly executed proxy bearing a later date.

Expenses and Solicitation

The Board of Directors is soliciting proxies for use at the General Meeting. The Company expects to mail this Proxy Statement and the accompanying proxy cards to ADS holders on or about January 29, 2026. In addition to the solicitation of proxies to ADS holders by mail, certain officers, directors, employees and agents of the Company may solicit proxies by telephone, mail or other personal contact. The Company shall bear the cost of the solicitation of the proxies, including postage, printing and handling and shall reimburse the reasonable expenses of brokerage firms and others for forwarding materials to beneficial owners of ADSs.

This proxy statement and proxy card shall also serve as a voting deed (ktav hatzba’a), as such term is defined under the Israel Companies Law 1999 (the “Companies Law”).

Quorum and Voting

Two or more shareholders holding ADSs or Ordinary Shares conferring in the aggregate at least twenty-five percent (25%) of the voting power of the Company, present in person or by proxy at the General Meeting and entitled to vote thereat, shall constitute a quorum. If within half an hour from the time appointed for the General Meeting a quorum is not present, the General Meeting shall be adjourned to the next business day following the day of the scheduled meeting, at the same time and place, or at such other day, time and place as shall be prescribed by the Board of Directors in a notification to the shareholders. At such reconvened meeting, any one (1) shareholder present in person or by proxy shall constitute a quorum regardless of the number of Ordinary Shares represented.

The approval of each the Proposals requires the affirmative vote of at least a majority of the voting power represented at the General Meeting, in person or by proxy, and voting on the matter presented.

In addition, the approval of Proposal 2 requires the affirmative vote of at least a majority of the voting power represented at the General Meeting, in person or by proxy, and voting on the matter presented, provided that either: (i) such majority vote at the General Meeting shall include at least a majority of the total votes of shareholders who are not controlling shareholders of the Company (as defined in the Companies Law and set forth below) and do not have a personal interest in the approval of the proposal, participating in the voting at the General Meeting, in person or by proxy, without taking abstentions into account; or (ii) the total number of votes of the non-controlling shareholders mentioned in clause (i) above that are voted against such proposal does not exceed two percent (2%) of the total voting rights in the Company (the “Special Majority”).

For this purpose, a “controlling shareholder” is any shareholder that has the ability to direct the Company’s activities (other than by means of being a director or other office holder of the Company). A person is presumed to be a controlling shareholder if the person holds or controls, alone or together with others, one-half or more of any one of the “means of control” of the Company. “Means of control” is defined as any one of the following: (i) the right to vote at a general meeting of the Company or (ii) the right to appoint directors of the Company or its chief executive officer.

In addition, for this purpose, “personal interest” is defined under the Companies Law as: (1) a shareholder’s personal interest in the approval of an act or a transaction of the Company, including (i) the personal interest of any of his or her relatives (which includes for these purposes the foregoing shareholder’s spouse, siblings, parents, grandparents, descendants, and spouse’s descendants, siblings, and parents, and the spouse of any of the foregoing); (ii) a personal interest of a corporation in which a shareholder or any of his/her aforementioned relatives serve as a director or the Chief Executive Officer, owns at least 5% of its issued share capital or its voting rights or has the right to appoint a director or Chief Executive Officer; and (iii) a personal interest of an individual voting via a power of attorney given by a third party (even if the empowering shareholder

has no personal interest), and the vote of an attorney-in-fact shall be considered a personal interest vote if the empowering shareholder has a personal interest, and all with no regard as to whether the attorney-in-fact has voting discretion or not, but (2) excludes a personal interest arising solely from the fact of holding shares in the Company.

A shareholder must inform our Company before the vote whether or not such shareholder is a controlling shareholder or has a personal interest. To avoid confusion, every shareholder voting by means of the enclosed proxy card or voting instruction form, or via telephone or internet voting, will be deemed to confirm to the Company that such shareholder is NOT a controlling shareholder and DOES NOT have a personal interest in Proposal 2. If you, or a related party of yours, is a controlling shareholder or possesses a personal interest and you wish to participate in the vote on Proposal 2 (in which case your vote will only count for or against the ordinary majority, and not for or against the Special Majority required for approval of Proposal 2), please notify Mr. Avshalom Lavski, the Company's Executive Director of Legal Affairs & Capital Markets, by telephone at phone number +972 3 541 3131 or by email at avshi@redhillbio.com. If you hold your shares in "street name" (i.e., shares that are held through a bank, broker or other nominee) and you are a controlling shareholder or possess a personal interest in the approval of Proposal 2, you should contact the representative managing your account of that status, and they in turn should notify the Company as described in the preceding sentence.

Shareholders wishing to express their position on an agenda item for this General Meeting may do so by submitting a written statement ("Position Statement") to the Company's offices, c/o Mr. Razi Ingber, at 21 Ha'arba'a Street, Tel-Aviv, 6473921 Israel. Any Position Statement received, that is in accordance with the guidelines set by the Israel Companies Law, will be furnished to the U.S. Securities and Exchange Commission (the "Commission") on Form 6-K, and will be made available to the public on the Commission's website at <http://www.sec.gov>. Position Statements must be submitted to the Company by no later than Monday, February 23, 2026.

Reporting Requirements

The Company is subject to the information reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), applicable to foreign private issuers. The Company fulfills these requirements by filing reports with the Commission. The Company's filings are available to the public on the Commission's website at <http://www.sec.gov>.

As a foreign private issuer, the Company is exempt from the rules under the Exchange Act related to the furnishing and content of proxy statements. The circulation of this notice and proxy statement should not be considered as an admission that the Company is subject to the proxy rules under the Exchange Act.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE **FOR** EACH OF THE PROPOSALS.

Except as specifically provided herein, the lack of a required majority for the adoption of any resolution presented shall not affect the adoption of any other resolutions for which the required majority was obtained.

PROPOSAL NO. 2

GRANT OF RSUs OF THE COMPANY TO MR. DROR BEN-ASHER, THE COMPANY'S CHIEF EXECUTIVE OFFICER AND CHAIRMAN OF THE BOARD OF DIRECTORS

The Companies Law requires that the terms of service and employment of a company's Chief Executive Officer be approved by the company's compensation committee, the board of directors and the shareholders of the company, except in the limited circumstances set forth in the Companies Law. In addition, the Companies Law provides that transactions between a company and its directors regarding their terms of office as directors, and with respect to their terms of employment in other positions in the company, are subject to the approval of such company's audit committee or compensation committee, as applicable, board of directors and shareholders.

Mr. Dror Ben-Asher has served as the Company's Chief Executive Officer since its incorporation and has served as the Chairman of the Board of Directors for substantially all of the time during that period. In light of Mr. Ben-Asher's contribution to the Company, and in accordance with the Company's Compensation Policy, the Board of Directors and Compensation Committee have determined that the proposed grant of RSUs with respect to 38,000 ADSs is appropriate, reasonable and reflects the significant contribution of Mr. Ben-Asher to the Company.

The RSUs would vest quarterly over two (2) years. The vesting commencement date would be January 23, 2026 (the day after the Board of Directors meeting approving the grant), with 1/8 of the RSUs vesting on the last day of each calendar quarter starting with the first calendar quarter ending after such date, and the RSUs would become fully vested, in accordance with the terms of the grant, on December 31, 2027.

The proposed equity grant represents 0.55% of the total outstanding equity of the Company on a fully diluted basis, as of the date of approval by the Board of Directors.

The purpose of the grant is, *inter alia*, to compensate Mr. Ben-Asher for his service and his continual contribution to the Company as well as to incentivize Mr. Ben-Asher to continue to contribute to the Company's success and results of operations.

It is proposed that at the General Meeting, the following resolution be adopted:

"RESOLVED, to approve the grant of RSUs to Mr. Dror Ben-Asher on the terms described in the proxy statement."

The affirmative vote of at least a majority of the voting power represented at the General Meeting, in person or by proxy, and voting on the matter presented, is required for shareholders to approve this resolution provided that either: (i) such majority vote at the General Meeting shall include at least a majority of the total votes of shareholders who are not controlling shareholders of the Company (as defined in the Companies Law) and do not have a personal interest in the approval of the proposal, participating in the voting at the General Meeting, in person or by proxy, without taking abstentions into account; or (ii) the total number of votes of the non-controlling shareholders mentioned in clause (i) above that are voted against such proposal does not exceed two percent (2%) of the total voting rights in the Company.

THE COMPENSATION COMMITTEE AND THE BOARD OF DIRECTORS RECOMMEND A VOTE FOR THE APPROVAL OF THE GRANT OF RSUs TO MR. DROR BEN-ASHER.

PROPOSAL NO. 3

GRANT OF RSUs OF THE COMPANY TO MR. RICK D. SCRUGGS

The Companies Law requires that transactions between a company and its directors regarding their terms of office as director, and with respect to their terms of employment in other positions in the company, are subject to the approval of such company's compensation committee, board of directors and shareholders.

Mr. Rick D. Scruggs has served as a director of the Company since January 1, 2016, and since January 1, 2019, Mr. Scruggs has served as the Chief Operations Officer, U.S. Operations of the Company's wholly-owned U.S. subsidiary, RedHill Biopharma Inc. and then became the Company's Chief Commercial Officer. In addition, Mr. Scruggs serves as the President of the Company's subsidiary, Talicia Holdings Inc. Mr. Scruggs has significant business development and commercial experience in the biopharma industry, including as the former Executive Vice President Business Development at Salix Pharmaceuticals.

The Company's Board of Directors and Compensation Committee approved and recommended that the Company's shareholders approve the grant of RSUs with respect to 27,000 ADSs of the Company to Mr. Scruggs.

The RSUs would vest quarterly over two (2) years. The vesting commencement date would be January 23, 2026 (the day after the Board of Directors meeting approving the grant), with 1/8 of the RSUs vesting on the last day of each calendar quarter starting with the first calendar quarter ending after such date and the RSUs would become fully vested, in accordance with the terms of the grant, on December 31, 2027.

The equity grants and related terms would be in accordance with the Company's Amended and Restated Award Plan (2010), as amended. The proposed equity grant to Mr. Scruggs represented 0.39% of the total outstanding equity of the Company on a fully diluted basis on the date of approval by the Board of Directors.

The purpose of the grant is, *inter alia*, to compensate Mr. Scruggs for his service and his continual contribution to the Company as well as to incentivize Mr. Scruggs to continue to contribute to the Company's success and results of operations.

PROPOSAL NO. 4

INCREASE OF AUTHORIZED SHARE CAPITAL

The Company's authorized share capital is currently NIS 1,600,000,000, consisting of (i) 159,994,000,000 Ordinary Shares, NIS 0.01 par value per share, and (ii) 6,000,000 preferred shares, NIS 0.01 par value per share. As of the Record Date, the Company had approximately 90,575,040,000 Ordinary Shares (the equivalent of 9,057,504 ADSs) available for future issuance after taking into account the shares outstanding and shares available for issuance under existing options and RSUs

The Board of Directors recommends that at the General Meeting, the shareholders approve an amendment to the Company's Articles of Association increasing the authorized share capital of the Company by an additional NIS 3,400,000,000 such that the authorized share capital shall be NIS 5,000,000,000, consisting of (i) 499,994,000,000 Ordinary Shares, NIS 0.01 par value per share (the equivalent of 49,999,400 ADSs) and (ii) 6,000,000 preferred shares, NIS 0.01 par value per share. The Board of Directors believes that, in light of the overall decrease in the market price of the Company's ADSs, the proposed increase in the Company's share capital is necessary to ensure that the Company will have sufficient authorized share capital available to pursue financing and business opportunities in the future without undue delay and expenses. These opportunities could include, without limitation, subject to receipt of all requisite approvals under Israeli law, the issuance of additional shares and/or warrants to raise additional capital for the Company's business, to execute potential acquisitions, or to make future grants under the Company's Amended and Restated Award Plan (2010), as amended.

Upon approval by the Company's shareholders, the first sentence of section 7.1 of the Company's Articles of Association shall be amended to read as follows: "The Company's registered share capital is NIS 5,000,000,000, divided into (i) 499,994,000,000 registered ordinary shares of NIS 0.01 par value each (hereinafter: "share", "ordinary share", "shares" or "ordinary shares", as the case may be) and (ii) 6,000,000 preferred shares of NIS 0.01 par value each (hereinafter: "the preferred shares")."

It is proposed that at the General Meeting the following resolution be adopted:

"RESOLVED, to approve an amendment to the Company's Articles of Association increasing the authorized share capital of the Company to NIS 5,000,000,000, consisting of (i) 499,994,000,000 Ordinary Shares, NIS 0.01 par value per share, and (ii) 6,000,000 preferred shares, NIS 0.01 par value per share."

The affirmative vote of at least a majority of the voting power represented at the General Meeting, in person or by proxy and voting thereon, is required to adopt this resolution.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE INCREASE OF THE AUTHORIZED SHARE CAPITAL.

Other than as set forth above, as of the mailing of this Proxy Statement, management knows of no business to be transacted at the General Meeting, but, if any other matters are properly presented at the General Meeting, the persons named in the enclosed form of proxy will vote upon such matters in accordance with their best judgment.

**By order of the Board of Directors
