Forward-Looking Statements

In addition to historical information, this press release contains forward-looking statements with respect to our business, capital resources, strategic initiatives and growth reflecting the current beliefs and expectations of

management made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including continuing adoption of, and interest in, Senza in the U.S. and international markets; and our expectations for worldwide revenue for the full year of 2017. These forward-looking statements are based upon information that is currently available to us or our current expectations, speak only as of the date hereof, and are subject to numerous risks and uncertainties, including our ability to successfully commercialize our products; our ability to manufacture our products to meet demand; the level and availability of third-party payor reimbursement for our products; our ability to effectively manage our anticipated growth; our ability to protect our intellectual property rights and proprietary technologies; our ability to operate our business without infringing the intellectual property rights and proprietary technology of third parties; competition in our industry; additional capital and credit availability; our ability to attract and retain qualified personnel; and product liability claims. These factors, together with those that are described in greater detail in our Annual Report on Form 10-K filed on February 23, 2017 and our Quarterly Report on Form 10-Q filed on May 8, 2017, as well as any reports that we may file with the Securities and Exchange Commission in the future, may cause our actual results, performance or achievements to differ materially and adversely from those anticipated or implied by our forward-looking statements. We expressly disclaim any obligation, except as required by law, or undertaking to update or revise any such forward-looking statements. Our preliminary operating results for the quarter ended June 30, 2017, are subject to adjustment as we complete our year-end audit and other processes and are not necessarily indicative of our operating results for any future periods.
