# CI Financial Announces Commencement of Substantial Issuer Bid

2024-08-26

TORONTO--(BUSINESS WIRE)-- CI Financial Corp. (TSX: CIX) (“**CI Financial**” or the “**Corporation**”) announced today it has commenced a substantial issuer bid (the “**Offer**”), pursuant to which the Corporation will offer to purchase up to 5,000,000 (the “**Maximum Number of Shares**”) of its outstanding common shares (the “**Shares**”) from holders of Shares (the “**Shareholders**”) for cash, at a purchase price of \$17.50 per Share (the “**Purchase Price**”). As of August 23, 2024, there were 146,116,685 Shares issued and outstanding (which number includes 414,400 Shares that were previously purchased under the Company’s existing normal course issuer bid that have not yet been cancelled in the ordinary course). The Offer is for approximately 3.4% of the total number of issued and outstanding Shares.

If more than the Maximum Number of Shares are validly deposited and not withdrawn, then such deposited Shares will be purchased as follows: (a) first, the Corporation will purchase all Shares validly tendered by Shareholders who own, as of the close of business on the Expiration Date, fewer than 100 Shares (the “**Odd Lot Holders**”), up to the Maximum Number of Shares; and (b) second, in the event Odd Lot Holders have tendered less than the Maximum Number of Shares, the Corporation will purchase all Shares tendered by Shareholders on a pro rata basis according to the number of Shares deposited or deemed to be deposited by the depositing Shareholders, less the number of Shares purchased from Odd Lot Holders (with adjustments to avoid the purchase of fractional Shares). Shares that are not taken up in connection with the Offer will be returned to Shareholders that tendered to the Offer.

The Offer commenced on August 26, 2024, and expires at 5:00 p.m. (Toronto time) on October 1, 2024, (the “**Expiration Date**”), unless withdrawn or extended. The Offer is not conditional upon any minimum number of

Shares being tendered. The Offer is, however, subject to other conditions and the Corporation will reserve the right, subject to applicable laws, to withdraw or amend the Offer, if, at any time prior to the payment of deposited Shares, certain events occur as described in the Offer Documents (as defined below). Shareholders of record on September 30, 2024, regardless of whether they elect to tender Shares in connection with the Offer or not, will still be entitled to receive the previously announced dividend of \$0.20 on October 15, 2024.

The Board of Directors of the Corporation believes that the Offer is an advisable use of the Corporation's financial resources given its available cash resources, its ongoing cash requirements and access to capital markets, as well as the fact that the Corporation believes its Shares are undervalued. The Offer provides CI Financial with the opportunity to return up to \$87.5 million of capital (representing approximately half of the Corporation's anticipated fourth quarter free cash flow) to Shareholders who elect to tender while at the same time increasing the proportionate share ownership of Shareholders who do not elect to tender.

Details of the Offer, including instructions for tendering Shares to the Offer and the factors considered by the Board of Directors in making its decision to approve the Offer, are included in the formal offer to purchase and issuer bid circular and other related documents (the " Offer Documents "), which are expected to be mailed to Shareholders, filed with applicable Canadian Securities Administrators and made available free of charge on or about August 26, 2024, on the System for Electronic Data Analysis and Retrieval + (" SEDAR+ ") at [www.sedarplus.com](http://www.sedarplus.com) . Shareholders should carefully read the Offer Documents prior to making a decision with respect to the Offer. In particular, the Offer Documents describe certain tax consequences to Shareholders of selling Shares under the Offer, including that Shareholders who sell Shares under the Offer are generally expected to receive a dividend equal to the excess of the Purchase Price over the paid-up capital of the Share for purposes of the Income Tax Act (Canada), which paid-up capital the Corporation estimates will be approximately \$10.7284 per Share on the Expiration Date.

The Corporation has engaged Computershare Investor Services Inc. (" Computershare ") to act as depositary for the Offer.

The Board of Directors of the Corporation has approved the Offer. However, none of the Corporation, its Board of Directors or Computershare makes any recommendation to any Shareholder as to whether to deposit or refrain from depositing Shares under the Offer. Shareholders are urged to evaluate carefully all information in the Offer, consult their own financial, legal, investment and tax advisors, and make their own decisions as to whether to deposit Shares under the Offer, and, if so, how many Shares to deposit.

This press release is for informational purposes only and does not constitute an offer to buy or the solicitation of an offer to sell Shares. The solicitation and the offer to buy Shares will only be made pursuant to the Offer Documents.

Any questions or requests for information regarding the Offer should be directed to Computershare, as the depositary, at: [corporateactions@computershare.com](mailto:corporateactions@computershare.com) .
