This press release contains forward-looking statements concerning anticipated future events, results, circumstances, performance or expectations with respect to CI Financial Corp. ("CI") and its products and services, including its business operations, strategy and financial performance and condition. Forward-looking statements are typically identified by words such as "believe", "expect", "foresee", "forecast", "anticipate", "intend", "estimate", "goal", "plan" and "project" and similar references to future periods, or conditional verbs such as "will", "may", "should", "could" or "would". These statements are not historical facts but instead represent management beliefs regarding future events, many of which by their nature are inherently uncertain and beyond management's control. Although management believes that the expectations reflected in such forward-looking statements are based on reasonable assumptions, such statements involve risks and uncertainties. The material factors and assumptions applied in reaching the conclusions contained in these forward-looking statements include that all outstanding acquisitions will be completed and their asset levels will remain stable and that the investment fund industry will remain stable and that interest rates will remain relatively stable. Factors that could cause actual results to differ materially from expectations include, among other things, general economic and market conditions, including interest and foreign exchange rates, global financial markets, changes in government regulations or in tax laws, industry competition, technological developments and other factors described or discussed in CI's disclosure materials filed with applicable securities regulatory authorities from time to time. The foregoing list is not exhaustive and the reader is cautioned to consider these and other factors carefully and not to place undue reliance on forward- looking statements. Other than as specifically required by applicable law, CI undertakes no obligation to update or alter any forward-looking statement after the date on which it is made, whether to reflect new information, future events or otherwise.
