

GATX Corporation Announces Appointment of Vice President and Group Executive - Railcar Operations

April 7, 2010

CHICAGO, Apr 07, 2010 (BUSINESS WIRE) --GATX Corporation today announced that Nicholas J. Matthews has been appointed vice president and group executive - railcar operations. In this role, Mr. Matthews will be responsible for GATX's North American railcar maintenance operations, engineering group, railcar service centers, field service activities, and contract shop operations.

Mr. Matthews joins GATX Corporation from FreightCar America, where he served as senior vice president of operations. Prior to FreightCar America, Mr. Matthews served in a number of increasingly responsible operational roles with Trinity Industries.

"We are pleased that Nick is joining GATX," said James F. Earl, executive vice president and chief operating officer of GATX Corporation. "Nick's extensive rail experience and proven track record of driving operational improvement will be a tremendous addition to our already strong operational team."

Mr. Matthews received his bachelor of science in industrial management from Grove City College.

COMPANY DESCRIPTION

GATX Corporation (NYSE:GMT) provides leasing and related services to customers operating rail, marine and other targeted assets. GATX is a leader in leasing transportation assets and controls one of the largest railcar fleets in the world.
