This notice is accompanied by a form of proxy or voting instruction form and the Circular. The specific details of the foregoing matters to be put before the Meeting are set forth in the Circular. The board of directors of Numinus has fixed the close of business on July 14, 2025 (the "**Record Date**") as the record date for the determination of the Shareholders entitled to notice of, and to vote at the Meeting, and any adjournment thereof. All Shareholders of record as at the close of business on the Record Date are entitled to attend, participate and vote at the Meeting virtually or by proxy.

Numinus is holding the Meeting virtually only, via live webcast. Shareholders will not be able to attend the Meeting in person.

Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at: <https://meetings.lumiconnect.com/400-136-012-239> provided that they follow the instructions in the accompanying Circular and remain connected to the internet at all times during the Meeting. Beneficial Shareholders (being Shareholders who hold their Shares through a broker, investment dealer, bank, trust company, custodian, nominee or other intermediary) who do not appoint themselves as their proxyholder in accordance with the instructions in the accompanying Circular and provided by their intermediary will be able to participate as guests at the Meeting. Guests will be able to listen to the proceedings of the Meeting but will not be able to vote. Shareholders who usually vote by proxy ahead of the Meeting will be able to do so in the same manner as previous Shareholder meetings.

As a Shareholder, it is very important that you read the Circular and other Meeting materials carefully. They contain important information with respect to voting your Shares and attending and participating at the Meeting. Shareholders should follow the instructions on the forms they receive. Shareholders with questions should contact their intermediaries or Odyssey Trust Company ("**Odyssey**"), Numinus' transfer agent, toll free within North America at 1-888-290-1175, outside of North America at 1-587-885-0960 or by e-mail to appointee@odysseytrust.com.

A Shareholder who wishes to appoint a person other than the management nominees identified on the form of proxy or voting instruction form, to represent him, her or it at the Meeting may do so by inserting such person's name in the blank space provided in the form of proxy or voting instruction form and following the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. In order to be valid and acted upon at the Meeting, completed proxies or votes must be received by Odyssey by 9:00 a.m. (Vancouver Time) on August 26, 2025 or, in the case of any adjournment or postponement of the Meeting, at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the adjourned or postponed Meeting. A person appointed as proxyholder need not be a Shareholder. Please see the Circular for further instructions.

If you wish that a person other than the management nominees identified on the form of proxy or voting instruction form attend and participate at the Meeting as your proxy and vote your Shares, including if you are a beneficial Shareholder and wish to appoint yourself as proxyholder to attend, participate and vote at the Meeting, you **MUST register such proxyholder after having submitted your form of proxy or voting instruction form identifying such proxyholder. Failure to register the proxyholder will result in the proxyholder not receiving a username to participate in the Meeting.** Without a username, proxyholders will not be able to attend, participate or vote at the Meeting. To register a proxyholder, Shareholders must send an email to appointee@odysseytrust.com and provide Odyssey with their proxyholder's contact information, amount of Shares appointed, name in which the Shares are registered if they are a registered Shareholder, or name of broker where the Shares are held if a beneficial Shareholder, so that Odyssey may provide the proxyholder with a username via email.

Numinus is using notice-and-access to provide Shareholders with access to electronic copies of this notice, the Circular, audited financial statements of the Company for the financial year ended August 31, 2024 and the accompanying management's discussion and analysis (collectively, the "**Meeting Materials**") instead of mailing paper copies. The Meeting Materials are being made available on Numinus' website at: <https://www.investors.numinus.com/governance/governance-documents>, and under Numinus' SEDAR+ profile on www.sedarplus.ca. The use of the notice-and-access provisions reduces costs to the Company. Shareholders may request to receive paper copies of the Meeting Materials by mail at no cost. to receive the paper copy in advance of the Meeting. PROXY RELATED INFORMATION

Attendance and Voting

Only Registered Shareholders, or the persons they appoint as their proxies, are permitted to vote on all matters that may properly be voted upon at the Meeting.

Beneficial Shareholders who have not duly appointed themselves as proxyholder will not be able to attend, participate or vote at the Meeting. This is because Numinus and its transfer agent do not have a record of the non-Registered Shareholders, and, as a result, will have no knowledge of your shareholdings or entitlement to vote, unless you appoint yourself as proxyholder. If you are a Beneficial Shareholder and wish to vote at the Meeting, you have to appoint yourself as proxyholder, by inserting your own name in the space provided on the proxy or voting instruction form (if permitted), sent to you and must follow all of the applicable instructions provided by your Intermediary (as defined below). See "*Appointment of Proxies — Beneficial Shareholders*".

All references to Shareholders in this Circular and the accompanying form of proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

APPOINTMENT OF PROXIES

The persons specified in the enclosed proxy are directors or officers of Numinus who have been designated by management (collectively, the "Management Designees"). The Management Designees will vote IN FAVOUR of each of the matters specified in the Notice of Meeting and all other matters proposed by management at the Meeting. Each Shareholder has the right to appoint as proxyholder a person or company (who need not be a Shareholder) to attend, act and vote on behalf of such Shareholder at the Meeting other than the Management Designees. Shareholder may exercise this right by completing the steps set forth below and depositing the completed proxy to Odyssey prior to by 9:00 a.m. (Vancouver time) on August 26, 2025, or not less than 48 hours before the commencement of any adjournment or postponement of the Meeting.

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

Registered Shareholders

Registered Shareholders may vote at the Meeting by completing a ballot online during the Meeting. See "*Information Concerning Voting*".

Registered Shareholders who cannot attend the Meeting virtually may vote by proxy either by mail, personal delivery, fax or over the internet. Proxies must be completed in accordance with the instructions provided on the form of proxy and must be received by Numinus' transfer agent, Odyssey, by 9am (Vancouver time) on August 26, 2025, or not less than 48 hours before the commencement of any adjournment or postponement of the Meeting (the "**Proxy Deadline**"). Registered Shareholders must return the properly completed proxy to Odyssey as follows:

1. **By mail or personal delivery** to Odyssey Trust Company, United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C. V6C 1T2;
2. **By fax** to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international); or
3. **By internet** by going to <https://login.odysseytrust.com/pxlogin> and following the online voting instructions given to you.

The chair of the Meeting will have the discretion to accept or reject proxies deposited in any other manner.

If you return a proxy to Odyssey, be sure that the proxy is properly dated, signed and executed. A proxy returned to Odyssey will not be valid unless you or your attorney duly authorized in writing, date and sign it and, if the registered Shareholder is a company or association, documentation evidencing the power to execute the proxy may be required with signing capacity stated therein. If not dated, the proxy will be deemed to have been dated the date that it is mailed to Shareholders.

Management has designated the Management Designees, as proxyholders to attend the Meeting virtually and act for those Shareholders at the Meeting who have not specified a particular proxyholder. **You have the right to appoint a person other than the Management Designees, who need not be a Shareholder of Numinus, to be your proxyholder (a "third-party proxyholder").** If you are returning your proxy to Odyssey, such right may be exercised by inserting the third-party proxyholder's name in the blank space provided in the form of proxy and striking out the names of the Management Designees in the form of proxy, or by completing another form of proxy. If you appoint a third-party proxyholder, that third-party proxyholder must attend the Meeting and vote at the Meeting for your vote to be counted.

Appointment of a Third Party as Proxy

Shareholders who wish to appoint a third-party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares **MUST** submit their proxy or voting instruction form (if permitted) appointing such third-party proxyholder **AND MUST** register the third-party proxyholder, as described below. **Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a username to attend, participate or vote at the Meeting.**

Step 1: Submit your proxy or voting instruction form: To appoint a third-party proxyholder, insert such person's name in the blank space provided in the proxy or voting instruction form (if permitted) and follow the instructions for submitting such proxy or voting instruction form. **This must be completed prior to registering such third-party proxyholder**, which is an additional step to be completed once you have submitted your proxy or voting instruction form. If you are a Beneficial Shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third-party proxyholder. See "*Legal Proxy — US Beneficial Shareholders*" below for additional details.

Step 2: Register your third-party proxyholder: To register a **third-party proxyholder**, Shareholders **MUST** send an email to appointee@odysseytrust.com by the Proxy Deadline and provide Odyssey with the required third-party proxyholder contact information, amount of Shares appointed, name in which the

Shares are registered if they are a Registered Shareholder, or name of the Intermediary where the Shares are held if a Beneficial Shareholder, so that Odyssey may provide the third-party proxyholder with a username via email. Without a username, third-party proxyholder will not be able to attend, participate or vote at the Meeting.

If you are a Beneficial Shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the proxy or voting instruction form (if permitted) sent to you by your Intermediary, follow all of the applicable instructions provided by your Intermediary and register yourself as your proxyholder, as described above. By doing so, you are instructing your Intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your Intermediary. Please also see further instructions under the heading "*Beneficial Shareholders*".

Beneficial Shareholders

If your Shares are not registered in your name, they are held by an Intermediary, on your behalf, which makes you a Beneficial Shareholder. There are two kinds of Beneficial Shareholders:

1. **Objecting Beneficial Owners:** Beneficial Shareholders who object to their name and details of their security holdings being made known to Numinus ("**OBOs**"); and
2. **Non-Objecting Beneficial Owners:** Beneficial Shareholders who do not object to their name and details of their security holdings being made known to Numinus (called "**NOBOs**").

Numinus is not sending proxy-related materials directly to NOBOs. Numinus has distributed materials for the Meeting to Intermediaries for distribution to Beneficial Shareholders. Typically, Intermediaries will use a service company, such as Broadridge Financial Solutions, Inc., to forward meeting materials to Beneficial Shareholders. Beneficial Shareholders who have not waived the right to receive meeting materials will also receive either a proxy or voting instruction form, which permit Beneficial Shareholders to direct the voting of the Shares they beneficially own.

Each Intermediary will have its own procedures to permit voting of Shares held on behalf of Beneficial Shareholders, including requirements as to when and where the proxies or voting instruction forms are to be delivered. If you are a Beneficial Shareholder, you should carefully follow the instructions provided by your Intermediary to ensure your Shares are voted at the Meeting.

If you are a Beneficial Shareholder and wish to personally vote at the virtual Meeting, change voting instructions given by you to your Intermediary, or revoke voting instructions given by you to your Intermediary, follow the instructions given by your Intermediary or contact your Intermediary to discuss what procedure to follow.

If you are a Beneficial Shareholder located in the United States and wish to attend the Meeting and vote online (or have another person attend and vote on behalf of the Beneficial Shareholder), in addition to the steps described above (and the steps below regarding registering), you must obtain a valid legal proxy from your Intermediary. Follow the instructions from your Intermediary included with the legal proxy form and the voting information form sent to you or contact your Intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your Intermediary, you must then submit such legal proxy to Odyssey. See "*Legal Proxy — US Beneficial Shareholders*".

If an Intermediary who is the registered holder of or holds a proxy in respect of Shares owned by you, receives your proper instructions to vote (or have another person vote on behalf of you), such Intermediary is required under NI 54-101 to arrange, without expense to you, to appoint you as a Beneficial Shareholder

or your nominee, as proxyholder in respect of your Shares. Under NI 54-101, unless corporate law does not allow it, if the Intermediary makes an appointment in this manner, you, or your nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the Intermediary (who is the Registered Shareholder) in respect of all matters that come before the Meeting and any adjournment or postponement of the Meeting. An Intermediary who receives such instructions at least one business day before the Proxy Deadline is required to deposit the proxy within the Proxy Deadline, in order to appoint you, the Beneficial Shareholder, or your nominee, as proxyholder. **Once the proxy has been submitted, you, the Beneficial Shareholder, or your nominee, must be registered with Odyssey as a proxyholder. Registering the proxyholder is an additional step that can only be completed once the Beneficial Shareholder has submitted their proxy or voting instruction form (as applicable). Failure to register a duly appointed proxyholder will result in the proxyholder not receiving a username to participate in the Meeting.**

To register a proxyholder, Beneficial Shareholders must send an email to appointee@odysseytrust.com by the Proxy Deadline, and provide Odyssey with the required proxyholder contact information (including an email), the number of Shares appointed, and the name in which the Shares are registered or the name of the Intermediary where the Shares are held, so that Odyssey may provide the proxyholder with a username via email.

Only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders that wish to change their voting instructions must, in sufficient time in advance of the Meeting, contact their Intermediary to arrange to change their voting instructions.

Numinus will not pay for an Intermediary to deliver proxy related materials and VIFs to OBOs. If you are a Beneficial Shareholder who is an OBO, you have objected to your Intermediary disclosing Common Share ownership information about you to Numinus; accordingly, you will not receive the materials unless your Intermediary assumes the costs of delivery.

Legal Proxy — US Beneficial Shareholders

If you are a Beneficial Shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder, in addition to the steps described above under "*Beneficial Shareholders*", you must obtain a valid legal proxy from your Intermediary. Follow the instructions from your Intermediary included with the legal proxy form and the voting information form sent to you, or contact your Intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your Intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from Beneficial Shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as their proxyholder must be sent by e-mail to appointee@odysseytrust.com and received no later than the Proxy Deadline.

VOTING BY PROXY

The Management Designees will vote or withhold from voting the Shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your Shares will be voted or withheld from voting accordingly. **If you do not specify a choice or where you specify both choices for any matter to be acted on, your Shares will be voted IN FAVOUR of all matters or such matter, respectively.**

The enclosed form of proxy gives the Management Designees discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Circular, management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any

amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. In that case, the proxy holders nominated by management will vote the Shares represented by your proxy in accordance with their judgment.

REVOCATION OF PROXY

A proxy given pursuant to this solicitation may be revoked at any time prior to its use.

If you are a Registered Shareholder and have given a proxy, you may revoke it as to any matter on which a vote has not already been cast pursuant to the authority conferred by the proxy. Proxies may be revoked by depositing a written instrument giving notice of revocation:

- (a) At the office of Odyssey located at United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C. V6C 1T2;
- (b) at the office of Numinus, 250 - 997 Seymour Street Vancouver, BC V6B 3M1 Attention: Michael Tan, Chief Executive Officer on or before the last business day preceding the day of the Meeting at which such proxy is to be used; or
- (c) with the chair of the Meeting on the day of the Meeting (prior to the commencement of the Meeting).

The written notice of revocation must be executed by you or by an officer (if the registered Shareholder is a corporation or association) or attorney upon presentation of your written authorization.

Proxies may also be revoked by

- (a) executing another form of proxy bearing a later date and depositing the same at the offices of Odyssey, prior to the deadline for depositing proxies set out above; or
- (b) by attending the Meeting virtually and voting your Shares.

A proxy may also be revoked by any other method permitted by applicable law.

If a Registered Shareholder who has submitted a proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such Registered Shareholder on a ballot at the Meeting online will be counted and the submitted proxy will be disregarded.

Only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders that wish to change their voting instructions must, in sufficient time in advance of the Meeting, contact their Intermediary to arrange to change their voting instructions and must give written instructions at least seven days before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of Numinus, nor any person who has held such a position since the beginning of the last completed financial year of Numinus, nor any proposed nominee for election as a director of Numinus, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

VOTING OF COMMON SHARES

Common Shares

Under its organizational documents, Numinus is authorized to issue an unlimited number of Shares without par value, of which 320,551,600 Shares are issued and outstanding, as of July 14, 2025, each carrying the right to one vote per Share at all meetings of Shareholders. The Shares are listed for trading on the Toronto Stock Exchange (the "TSX").

Record Date

The record date for the purpose of determining the Shareholders entitled to receive notice of and vote at the Meeting has been fixed as July 14, 2025 and at any adjournment or postponement thereof.

Shareholders of record at the close of business on July 14, 2025 will be entitled to vote at the Meeting and at all adjournments or postponements thereof.

Quorum

The Articles of Numinus, as amended (the "**Articles**") provide that a quorum for the transaction of business at the Meeting is two persons who are, or who represent by proxy, Shareholders, who, in the aggregate, hold at least 5% of the issued Shares entitled to be voted at the Meeting.

Principal Shareholders

To the knowledge of our directors and executive officers, as at the date of this Circular, no person beneficially owns, directly or indirectly, or exercise control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of Numinus.

MATTERS TO BE CONSIDERED AT MEETING

I. FINANCIAL STATEMENTS

The financial statements of Numinus for the year ended August 31, 2024 and the auditors' report thereon will be placed before the Shareholders at the Meeting. No formal action will be taken at the Meeting to approve the financial statements. The financial statements have been approved by the directors and the placing at the Meeting of Numinus' financial statements and the auditors' report thereon will not constitute approval or disapproval of any matters referred to therein. The financial statements are also available on Numinus' profile on SEDAR+ at www.sedarplus.ca.

II. NUMBER OF DIRECTORS

The Articles of Numinus provide for that the numbers of directors shall be set at the greater of three and the most recent number of directors set by ordinary resolution. The board of directors of Numinus (the "**Board**") is currently comprised of four (4) directors. At the Meeting, Shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution to set the number of directors of Numinus at four (4) for the next year, subject to any increases permitted by its Articles and applicable law.

In the absence of a contrary instruction, the Management Designees intend to vote FOR setting the number of directors of Numinus at four (4) for the next year, subject to any increases permitted by its Articles.

III. ELECTION OF DIRECTORS

Under Numinus' Articles, directors of Numinus are elected annually. Each director will hold office until the next annual meeting or until the successor of such director is duly elected or appointed in accordance with Numinus' Articles. At the Meeting, Shareholders will be asked to elect as directors the board nominees listed below.

In the absence of a contrary instruction, the Management Designees intend to vote FOR the election as directors of those board nominees whose names are set forth below (the "Board Nominees").

Majority Voting Policy

Pursuant to the requirements of the TSX, the Board has adopted a policy for majority voting for individual directors (the "**Majority Voting Policy**"). The form of proxy for the Meeting enables each Shareholder to vote for, or withhold their Shares from voting on, the election of each Board Nominee separately. In accordance with the terms of the Majority Voting Policy, if the votes "for" the election of a Board Nominee are fewer than the votes "withheld", then the Board Nominee will be considered to have not received the support of the Shareholders for the purpose of the Majority Voting Policy and such director is expected to immediately tender his or her resignation to the Board, to take effect upon acceptance by the Board. A director nominee who tenders a resignation pursuant to this Majority Voting Policy will not participate in any meeting of the Board or any sub-committee of the Board at which the resignation is considered. The Board will, within 90 days of receiving a resigning director's resignation, make a decision whether to accept or reject such director's offer to resign, and will promptly issue a press release announcing the resignation of the director or explaining why the Board did not accept the resignation. See "*Statement of Corporate Governance Practices — Majority Voting Policy*".

Advance Notice Policy

Numinus is committed to: (i) facilitating an orderly and efficient process for the election of directors at shareholder meetings; (ii) ensuring that all Shareholders receive adequate notice of the director nominations and sufficient information with respect to all director nominees; and (iii) allowing Shareholders to register an informed vote after having been afforded reasonable time for appropriate deliberation. As such Numinus has adopted an advance notice policy (the "**Advance Notice Policy**") to provide Shareholders, directors and management of Numinus with a clear framework for nominating directors of Numinus. The Advance Notice Policy establishes a deadline by which holders of record of Common Shares must submit director nominations to Numinus prior to any annual general or special meeting of Shareholders.

Under the Advance Notice Policy a Shareholder's notice must be received by Numinus: (a) in the case of an annual meeting of Shareholders, not less than 30 days nor more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by a Shareholder may be made not later than the close of business on the 10th day following the Notice Date; and (b) in the case of a special meeting (which is not also an annual general meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

The Advance Notice Policy also sets out the information that must be included in or that must accompany the nominating Shareholder's notice. The Board may, in its sole discretion, waive any provision under the Advance Notice Policy. The summary of the Advance Notice Policy described above is qualified in its entirety by reference to the full text of the Advance Notice Policy, a copy of which is included Numinus

'management information circular dated September 8, 2022, which is available on Numinus' SEDAR+ profile at www.sedarplus.ca.

Numinus has been subject to a “failure to file” cease trade order in accordance with Multilateral Instrument 11-103 Failure-to-File Cease Trade Orders in Multiple Jurisdictions by its principal regulator, the British Columbia Securities Commission. Such cease trade order is still in effect. All the four director candidates were directors of Numinus when the cease trade order was issued and still are directors of Numinus as the date of this Circular. Other than that, no proposed director of Numinus is or has been, within the past 10 years, a director, chief executive officer or chief financial officer of any company (other than Numinus) that, while the person was acting in that capacity:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of the above, "order" means (a) a cease trade order; (b) an order similar to a cease trade order; or (c) an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days.

Other than as outlined below, no proposed director of Numinus has, within the past 10 years, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

To the knowledge of Numinus, no nominee for director of Numinus has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable Shareholder in deciding whether to vote for a proposed director.

Payton Nyquvest and Michael Tan were the directors of Mindspace Services Inc., Neurology Centre of Toronto Inc., Numinus Bioscience Inc., and Numinus Health Corp. when they announced the bankruptcy on February 14, 2025. Payton Nyquvest was the director of Salvation Bioscience Inc. when it announced its bankruptcy on February 14, 2025. Other than that, no proposed director of Numinus is or has been, within the past 10 years, a director or executive officer of any company that, while that person was acting in that capacity or within a year of that person ceasing to act in that capacity, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets.

No personal holding company of any of the persons proposed to be nominated for election as a director at the Meeting is or has been, as applicable, subject to the foregoing during the applicable time periods.

IV. APPOINTMENT OF AUDITOR

Davidson & Company LLP has been Numinus' auditors since April 29, 2020. At the Meeting, the Shareholders will be asked to reappoint Davidson & Company LLP as independent auditors of Numinus to serve until the close of the next annual meeting of Shareholders and to authorize the directors to fix their remuneration (the "**Auditor Resolution**").

Our audit committee (the "**Audit Committee**") recommends the approval of the Auditor Resolution, which must be approved by not less than a majority of the votes cast thereon by Shareholders who are present at the Meeting or by proxy.

In the absence of a contrary instruction, the Management Designees intend to vote FOR the Auditor Resolution. In order to be effective, the ordinary resolution must be approved by not less than a majority of the votes cast thereon by Shareholders who are present at the Meeting or by proxy.

V. APPROVAL OF OMNIBUS EQUITY INCENTIVE PLAN

The policies of the TSX require that the unallocated securities under all security-based compensation arrangements which do not have a fixed maximum aggregate number of securities issuable thereunder, such as Numinus' amended and restated omnibus equity incentive plan (the "**Plan**") be re-approved by an issuer's shareholders every three years after the date of initial shareholder approval of the compensation arrangement. The shareholders of Numinus approved the Plan at the 2023 shareholder meeting held on February 15, 2023, and accordingly, the next shareholder re-approval must be obtained by February 15, 2026. The Board has determined to seek re-approval of the Plan and the unallocated entitlements issuable thereunder at the Meeting, being mindful of that February 15, 2026 deadline.

The Plan is a "rolling 10%" security based compensation arrangement whereby Numinus may, subject to limitations discussed below, reserve for issuance up to 10% of the issued and outstanding Common Shares from time to time. The combined total number of Common Shares issuable pursuant to any grant or award under all security based compensation plans of Numinus may not, at any time, exceed 10% of the then issued and outstanding Common Shares.

For the securities of Numinus issued and issuable under the Plan, please refer to a section below named "SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS".

For a summary of the principal terms of the Plan, please refer to "Omnibus Equity Incentive Plan" under a section below named "STATEMENT OF EXECUTIVE COMPENSATION". That information is intended to be a brief description of the Plan and is qualified in its entirety by the full text of the Plan as set out as Schedule A to this Circular.

If the resolution below regarding the Plan is not approved, Numinus will not have the ability to grant awards under the Plan after August 28, 2025, and awards under the Plan that expire, are terminated or are cancelled, will not be available for future grant by Numinus. However, if the resolution below regarding the Plan is not approved by shareholders, all awards issued and outstanding will remain exercisable in accordance with their terms and conditions until they expire, are terminated or are cancelled.

The Board therefore recommends that the shareholders vote **IN FAVOUR** of the Plan by adopting an ordinary resolution (meaning a resolution passed by the majority of votes cast in person or by proxy at the Meeting) in substantially the following form:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

1. the Amended and Restated Omnibus Equity Incentive Plan of Numinus, as set out as Schedule A to this Circular, and any entitlements issuable thereunder, be and are hereby confirmed, ratified and reapproved in their entirety;
2. Numinus is authorized to grant stock options, deferred share units, performance share units, restricted share units and other share-based awards until August 28, 2028 pursuant and subject to the terms and conditions of the Amended and Restated Omnibus Equity Incentive Plan (as it may be further amended from time to time in accordance with its terms), entitling the recipients of such grants to purchase or otherwise receive up to such number of Common Shares of Numinus as is equal to 10% of the total of the number of Common Shares outstanding, plus the maximum number of Common Shares that might possibly be issued under outstanding security based compensation, as calculated at the time of any grant;

3. any director or officer of Numinus is hereby authorized and directed to execute and deliver in the name of and on behalf of Numinus, all such certificates, instruments, agreements and other documents and do all such other acts and things as in the opinion of such person may be necessary or desirable in order to give effect to the foregoing resolution;

In the absence of a contrary instruction, the Management Designees intend to vote FOR the Plan.

VI. APPROVAL OF SHARE CONSOLIDATION

At the Meeting, the Shareholders will be asked to pass an ordinary resolution authorizing the Board to cause Numinus to change its authorized share structure pursuant to the *Business Corporations Act* (British Columbia) and its Articles, so as to consolidate its issued and outstanding common shares on a 1 for 40 basis (the “**Consolidation**”). Approval of that ordinary resolution (the “**Consolidation Resolution**”) by the Shareholders would give the Board authority to implement the Consolidation at any time after the Meeting at a maximum ratio of forty (40) existing Common Shares for one (1) post-consolidation common share, as set out in the Consolidation Resolution. There is no minimum ratio for the Consolidation. However, even if the Consolidation Resolution is duly adopted, there is no guarantee that the Board will act on the authority granted to it by the Shareholders and complete any consolidation of the issued and outstanding shares of Numinus, and the approval of the TSX would be required if the Consolidation was implemented at a time when Common Shares of Numinus are listed on that exchange. The Board may, in its sole discretion, revoke this ordinary resolution, and abandon implementation of the Consolidation Resolution without further approval or action by or prior notice to shareholders. Determining to proceed with any such action will involve a careful review of Numinus’ financial position, of the trading of the Common Shares, of compliance of Numinus with the TSX listing requirements, and of a number of other considerations.

Reasons for the Consolidation

The Board believes that the current number of outstanding common shares may be required to be consolidated in order to be in a better position to complete future financings and attract more interest from a broader investing public. If the Consolidation Resolution is approved, the Consolidation will be implemented at a ratio determined by the Board of Directors of Numinus that is up to but not greater than forty (40) existing Common Shares for one (1) post-consolidation common share will only be implemented if the Board determines that the Consolidation is in the best interests of Numinus and its shareholders at that time. In connection with any determination to implement the Consolidation, the Board will set the timing for doing so.

Certain Risks Associated with the Consolidation

The Board believes that it is in the best interests of Numinus to reduce the number of issued and outstanding Common Shares of Numinus by way of the Consolidation. However, there are certain risks associated with the Consolidation, including, but not limited to:

- *Market Capitalization* - the total market capitalization of the Common Shares of Numinus immediately after the Consolidation may be lower than the total market capitalization immediately before the Consolidation.
- *Common Share Price* - the per-share market price of the Common Shares following the Consolidation may be lower than the per share market price immediately before the Consolidation and may be lower than the direct arithmetical result of the Consolidation.
- *Reduced Liquidity* - a decline in the market price of the Common Shares after the Consolidation may result in a greater percentage decline than would occur in the absence of a Consolidation, and the liquidity of the Common Shares could be adversely affected.

- *Creation of “Odd Lots”* - the Consolidation may result in some shareholders owning “odd lots” of less than a “board lot” (as defined in the TSX Company Manual) of Common Shares on a post-consolidation basis, which may be more difficult to sell, or require greater transaction costs per Common Share to sell than Common Shares held in “board lots”.
- *Future Investments* - there can be no assurance that, if the Consolidation is implemented, the margin terms associated with the purchase of Common shares will improve or that Numinus will be successful in receiving increased attention from institutional investors.

Principal Effects of the Consolidation

As at the Record Date, Numinus had 320,551,600 Common Shares issued and outstanding. Following the completion of the proposed Consolidation, assuming no Common Shares are issued after the Record Date and assuming that the Consolidation is implemented at the highest rate set out in the Consolidation Resolution (i.e. 40 existing Common Shares for 1 post-consolidation common share), the number of Common Shares of Numinus will be reduced by a factor of 40 to approximately 8,013,790 Common Shares. However, it is anticipated that the number of issued and outstanding Common Shares will be slightly less than 8,013,790 because Numinus will not issue fractional shares and some shares will therefore be lost in the rounding down process (as discussed below). As Numinus currently has an unlimited number of Common Shares authorized for issuance, the Consolidation will not have any effect on the number of Common Shares that remain available for future issuances.

The Common Shares granted or reserved for issuance pursuant to the Numinus’ Equity Incentive Plan would also be reduced proportionately. As of the Record Date, there are 7,140,682 options granted under the Equity Incentive Plan. If the Equity Incentive Plan is re-approved at the Meeting and the Consolidation is implemented at a ratio of 40 existing Common Shares for 1 post-consolidation common share, the maximum number of Common Shares available under the Equity Incentive Plan would be reduced from 32,055,160 to 801,379 following the Consolidation (with 238,022 being allocated to outstanding stock options).

The Consolidation may result in some Shareholders owning “odd lots” of Common Shares on a post-Consolidation basis. Odd lots may be more difficult to sell, or require greater transaction costs per share to sell, than shares in “board lots”. Brokerage commissions and other costs of transactions in odd lots are often higher than the costs of transactions in “round lots” of even multiples of “board lots”.

The Consolidation will not give rise to a capital gain or loss under the *Income Tax Act* (Canada) for a Shareholder who holds such Common Shares as capital property. The adjusted cost base to the Shareholder of the new common shares immediately after the Consolidation will be equal to the aggregate adjusted cost base to the Shareholder of the old common shares immediately before the Consolidation.

Fractional Shares

No fractional common shares will be issued upon the Consolidation. If a Shareholder would otherwise be entitled to receive a fractional Common Share upon implementation of the Consolidation, such fraction will be rounded down to the nearest whole number.

Exchange Approval

The Consolidation is subject to regulatory approval including, but not limited to, approval of the TSX. As a condition to the approval of a consolidation of shares listed for trading on the TSX, the TSX requires, among other things, that an issuer continue to meet the TSX's “continued listing requirements” (as set out in the TSX Company Manual) after the Consolidation. If the Delisting Resolution (see below) is approved at the Meeting and Numinus is then delisted from the TSX before the completion of the Consolidation, then

the Company will not be required to satisfy the TSX's "continued listing requirements" in connection with the implementation of the Consolidation. Otherwise, as an issuer on TSX, in implementing the Consolidation Numinus will have to comply with TSX requirements, including having at least 150 "public holders" (as set out in the TSX Company Manual) holding at least one "board lot" (as set out in the TSX Company Manual) of Common Shares, free of "resale restrictions" (as set out in the TSX Company Manual), after completion of the Consolidation.

Implementation of Consolidation

If the Board decides to proceed with the Consolidation and assuming that shareholder approval for the Consolidation is received at the meeting and all regulatory approvals are obtained, the Consolidation will only become effective upon the filing by the Company of certain documents with the Registrar under the *Business Corporations Act* (British Columbia) giving effect to the consolidation. Under the *Business Corporations Act* (British Columbia), shareholders of the Company do not have dissent and appraisal rights with respect to the proposed Consolidation. The Company will then issue a press release announcing the completion of the Consolidation, and, in accordance with the rules of the TSX, the post-consolidation common shares will be assigned new CUSIP and ISIN numbers.

After the Consolidation, current issued share certificates representing pre-Consolidation common shares will (i) not constitute good delivery for the purposes of trades of post-Consolidation common shares; and (ii) be deemed for all purposes to represent the number of post-Consolidation common shares to which the shareholder is entitled as a result of the Consolidation.

Registered shareholders should, after the Consolidation was finalized, complete, sign and return the letter of transmittal (the "**Letter of Transmittal**") that will be sent to them, along with the share certificate(s) representing their pre-Consolidation Common Shares, to Odyssey at one of the addresses set out in the Letter of Transmittal. Upon receipt of a properly completed and signed Letter of Transmittal, Numinus will arrange to have a new share certificate representing the appropriate number of post-Consolidation Common Shares delivered in accordance with the instructions provided by the holder in the Letter of Transmittal. No delivery of a new share certificate to a Shareholder shall be made until the Shareholder has surrendered his or her current share certificates. **Shareholders should neither destroy nor submit any share certificates until instructed to do so.**

Non-Registered Shareholders holding their Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Consolidation than those that will be put in place by Numinus for Registered Shareholders. If you hold your Common Shares with such a bank, broker or other nominee and if you have any questions in this regard, you are encouraged to contact your nominee.

The Board therefore recommends that the shareholders vote **IN FAVOUR** of the Consolidation Resolution by adopting a resolution in substantially the following form:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

1. the Board be and is hereby authorized to cause Numinus to alter its share structure by consolidating each of the issued and outstanding common shares of the Numinus by exchanging (A) forty (40) common shares of the Company, or such lesser amount as the directors of the Company may determine, into (B) one (1) post-consolidation common share of the Company; provided that in the event that the consolidation would otherwise result in a shareholder holding a fraction of a common share, such fraction will be rounded down to the nearest whole number (the "**Consolidation**");
2. notwithstanding that this ordinary resolution has been duly passed by the shareholders of Numinus, the board of directors of Numinus is hereby authorized, at its discretion, to determine, at any time prior to

the Consolidation, to proceed or not proceed with the Consolidation and to abandon the Consolidation at any time prior to the implementation of the Consolidation without further approval of the shareholders of Numinus at any time prior to the Consolidation becoming effective;

3. any one director or officer of Numinus be and is hereby authorized and directed to do all such acts and things and to execute and deliver all such documents, instruments and assurances as in the opinion of such director or officer may be necessary or desirable to give effect to the foregoing resolutions; and
4. all acts and things done, and all executions and deliveries completed, by any director of Numinus, by the board of directors of Numinus or by any executive officer, other officer, employee, consultant or advisor of or to Numinus in furtherance of the foregoing resolutions, whether occurring before or after the adoption of these resolutions by the shareholders, are hereby authorized, ratified and confirmed.”

In the absence of a contrary instruction, the Management Designees intend to vote FOR the Consolidation.

VII. APPROVAL OF DELISTING FROM TSX

At the Meeting, the Shareholders will be asked to pass an ordinary resolution authorizing and approving the voluntary delisting of the Common Shares from the TSX (the “**Delisting**”) if, and when, the Board, in its sole discretion, determines that such Delisting is in the best interests of Numinus and Shareholders (the “**Delisting Resolution**”).

The Board and management of Numinus believe it may be in the best interests of Numinus and Shareholders to complete a Delisting of the Common Shares from trading on the TSX as Numinus no longer expects to be able to continue to meet the listing requirements of the TSX.

The Delisting, if completed, will have a negative impact on the liquidity of the Common Shares and may result in an absence of liquidity of the Common Shares.

Implementation of the Delisting is conditional upon the Board, in its sole discretion, determining that such Delisting is in the best interests of Numinus and Shareholders. The Board shall maintain full discretion as to when, and if, the Delisting shall be completed. Notwithstanding whether the Delisting Resolution is approved by the Shareholders, the Board may, if determined to be in the best interests of Numinus and without further notice to or approval by the Shareholders, determine to not proceed with the Delisting at any time in its sole discretion prior to the Delisting becoming effective.

The Board therefore recommends that the shareholders vote **IN FAVOUR** of the Delisting Resolution by adopting a resolution in substantially the following form:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

4. the board of directors of Numinus is hereby authorized to apply to voluntarily delist the common shares in the capital of Numinus from the Toronto Stock Exchange (the “**Delisting**”);
5. notwithstanding the approval of the foregoing resolution by shareholders, the board of directors of Numinus shall maintain full discretion as to when, and if, the Delisting shall be completed;
6. any director or officer of Numinus is hereby authorized and directed to execute and deliver in the name of and on behalf of Numinus, all such certificates, instruments, agreements and other documents and do all such other acts and things as in the opinion of such person may be necessary or desirable in order to give effect to the foregoing resolution;

In the absence of a contrary instruction, the Management Designees intend to vote FOR the Delisting.

VIII. OTHER MATTERS

Numinus knows of no other matters to be brought before the Meeting. If any amendment, variation or other business is properly brought before the Meeting, the enclosed proxy or voting instruction form confers discretion on the Management Designees to vote on such matters as such person sees fit.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officers

Numinus is required, under applicable securities legislation in Canada to disclose to its Shareholders details of compensation paid to its named executive officers (a "**Named Executive Officer**" or "**NEO**"). A named executive officer as defined in Form 51-102F6 — *Statement of Executive Compensation*, prescribed by NI 51-102, means an individual who, at any time during the year, was:

- (a) Numinus' chief executive officer ("**CEO**");
- (b) Numinus' chief financial officer ("**CFO**");
- (c) each of Numinus' three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation will be, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of Numinus, nor acting in a similar capacity, at the end of the most recently completed financial year.

During the fiscal year-ended August 31, 2024, the Named Executive Officers of Numinus were: (i) Payton Nyquvest, Chief Executive Officer; (ii) Nikhil Handa, Chief Financial Officer; (iii) Michael Tan, President & Chief Operating Officer; (iv) Paul Thielking, Chief Science Officer; (v) Reid Robison, Chief Clinical Officer; and (vi) Melony Valteau, Interim Chief Financial Officer.

Compensation Discussion and Analysis

The following disclosure describes the compensation paid, payable, awarded, granted, given or otherwise provided, directly or indirectly, by Numinus to each NEO (as defined herein). This section also identifies the objectives and material elements of compensation awarded to the NEOs and the reasons for their compensation. For a complete understanding of the executive compensation program, this disclosure should be read in conjunction with the summary compensation table and other executive compensation-related disclosure included in this Circular.

The Board's assessment of corporate performance is based on a number of qualitative and quantitative factors including execution of ongoing projects and transactions, and progress on key growth initiatives.

Compensation Governance

Numinus has established a compensation committee (the "**Compensation Committee**"), which is responsible for overseeing compensation for Numinus' executive officers and making recommendations to the Board, consistent with Numinus' compensation philosophy and corporate governance best practices. The Committee executes its mandate in consultation with management and a review of comparable companies in the industry in which Numinus operates. The Board, however, makes the ultimate decisions with respect to executive compensation upon consideration of the Committee's recommendations.

The adequacy and form of director and officer compensation is reviewed on an annual basis by the Board. For the year ended August 31, 2024, the Compensation Committee was comprised of three independent directors, namely Allen Morishita, Larry Timlick and Donna Wilson. Allen Morishita resigned from the board and ceased to be a member of the Compensation Committee on January 23, 2025. However, he was a member during the financial year ended August 31, 2024, and participated in compensation decisions for that period. The Board believes that the members of the Compensation Committee collectively have the knowledge, experience and background required to fulfill their mandate and is satisfied that the composition of the Compensation Committee ensures an objective process for determining compensation. See *"Statement of Corporate Governance Practices"* hereto for further information regarding the role of the Compensation Committee.

Compensation Objectives and Principles

The primary goal of Numinus' executive compensation program is to attract and retain the key executives necessary for Numinus' long-term success, to encourage executives to further the development of Numinus and its operations, and to motivate top quality and experienced executives.

Executive compensation is currently comprised of short-term base salary compensation and long-term ownership through Numinus' omnibus equity incentive plan (the "**Plan**"). This structure ensures that a significant portion of executive compensation (equity incentives under the Plan) is both long-term and "at risk" and, accordingly, is directly linked to the achievement of business results and the creation of long-term shareholder value. The base salary established for each executive officer is intended to reflect each individual's responsibilities, experience, prior performance and other discretionary factors deemed relevant by the Board.

Compensation Process

Base salaries are established for each position based on market information obtained through the recruitment process and candidates on an *ad hoc* basis. In January 2021, the Board received a report from Hugesson Consulting ("**Hugesson**") which included an external market review of our executive compensation program, and provided the Board some guidance as to how its then current program compared to market practices. The company did not pay any fees to Hugesson for executive compensation-related services, or any other services, during fiscal years ending August 31, 2022, 2023 and 2024.

The Compensation Committee familiarizes itself with this market information, including by referencing the 2021 Hugesson Report, but does not employ a statistical or formal benchmarking approach in making its compensation recommendations. Individual qualifications and experience, together with any market information obtained, are considered in determining base compensation levels. In addition, when determining compensation, the Compensation Committee considers recruiting and retaining executives critical to Numinus' success, providing fair and competitive compensation, balancing the interests of management and the Shareholders and rewarding performance, both on an individual basis and with respect to Numinus' operations in general.

Incentive bonuses are determined based on the Compensation Committee's judgment of the performance of Numinus and individual executives on an annual basis with reference to the financial position of Numinus. Bonuses are largely determined on a discretionary basis with no set formula used to determine bonus amounts given the relative size of Numinus.

Equity compensation plans are designed to provide an incentive to the directors, officers, employees and consultants of Numinus to achieve the longer-term objectives of Numinus; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of Numinus; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased

proprietary interest in Numinus. Numinus awards equity-based compensation to its executive officers and employees, based upon the Board's review of the recommendations of the Compensation Committee. Previous awards of such equity compensation are taken into account when considering new grants.

Implementation of a new incentive equity-based compensation plans and amendments to the Plans are the responsibility of the Board. Numinus' equity compensation plans are discussed in more detail below, under the sub-heading, "*Omnibus Equity Incentive Plan*".

Numinus has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by Numinus at competitive industry rates for work of a similar nature by reputable arm's length services providers.

External Management Companies

None of the NEOs or directors of Numinus have been retained or employed by an external management company which has entered into an understanding, arrangement or agreement with Numinus to provide executive management services to Numinus, directly or indirectly, except for: (i) Larry Timlick, who provides services as a director through Triplet Management; (ii) Donna Wong, who provides services as a director through On Point Advisors Inc.; (iii) Payton Nyquvest, who provides services as a director through Barbosa Investments Inc.; and (iv) Michael Tan, who provides services as a director through 16085954 Canada Inc.

Risk of Compensation Practices and Disclosure

The Board has not conducted a new formal evaluation of the implications of the risks associated with Numinus' compensation policies and practices since the 2021 Hugesson report was delivered. Risk management is a consideration of the Board when implementing its compensation program, and the Board does not believe that Numinus' compensation program results in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on Numinus.

Securities Trading Policy

Numinus' NEOs and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Neither the NEOs nor the directors are permitted to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEOs or directors, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds.

All executives, other employees and directors are subject to Numinus' Securities Trading Policy, which prohibits trading in Numinus' securities while in possession of material undisclosed information. Under this policy, such individuals are also prohibited from entering into hedging transactions involving securities of Numinus, such as short sales, puts and calls. Furthermore, subject to certain limited exceptions, Numinus permits executives, including NEOs, to trade in Numinus' securities only during prescribed trading windows.

Performance Graph

The following line graph and table compare the return, assuming an initial investment of \$100 on May 20, 2020 when the Common Shares commenced trading after the RTO, with the cumulative total return, in respect of the TSX Composite Index compiled by the TSX for the five financial years following the RTO. The TSX Composite Index is a total return index and the chart below shows the aggregate cash value of the investment on the relevant dates.

Notes:

- (1) Share data sourced from TMX Money. Numinus has not independently verified third-party information.
- (2) Numinus completed a reverse takeover transaction (the "RTO") with Salvation Botanicals Ltd. ("Salvation") on May 15, 2020 and as a result of the RTO with Salvation, Numinus changed its year-end from July 31 to August 31 to be the same as that of Salvation (the reverse takeover acquirer). Numinus' Shares commenced trading on the TSX Venture Exchange on May 20, 2020.

The NEOs compensation during the period reported herein was not based on Numinus' cumulative return during the same periods and accordingly, bears no direct relationship to the trend shown in the above graph. Numinus' executive compensation program consists of a cost combination of cash and share-based compensation. When determining compensation, the Compensation Committee considers a number of factors, one of which is corporate performance. As a result, there is no direct correlation between the trend shown in the performance graph and the trend in compensation to NEOs reported over the same period.

Notes:

- (1) All compensation is attributable to the person's position as an officer of Numinus and no compensation was received by such person in relation to their position as a director of Numinus.
- (2) Other compensation comprises signing bonuses paid out to executives when their full-time employment was transitioned to a contractual basis.
- (3) "Share-based Award" means an award of Shares. The dollar amount disclosed is based on the closing price per Shares at the date of each grant.
- (4) "Option-based Award" means an award of Options under Numinus' Plan. This does not represent cash paid to the NEO. This figure is based on the grant date fair value of such Options. The grant date fair value was determined in accordance with International Financial Reporting Standards. This methodology was chosen in order to be consistent with the accounting fair value used by Numinus in its financial statements, and the Black-Scholes option pricing model is a commonly used methodology for valuing options which provides an objective and reasonable estimate of fair value. Calculating the value of stock options using the Black-Scholes option pricing model is very different from a simple "in-the-money" value calculation. Accordingly, caution must be exercised in comparing grant date fair value amounts with cash compensation or an in-the-money option value calculation.
- (5) Cash bonus accrued at year-end.
- (6) Payton Nyquvest was appointed as a director, CEO, and Chairman effective May 15, 2020. He resigned as CEO on December 16, 2024.
- (7) Nikhil Handa was appointed as CFO effected June 15, 2023 and resigned effective March 12, 2024 when Melony Valleau was appointed as Interim CFO. The amounts set forth above reflect actual compensation received by such NEO from June 15, 2023 and resigned effective March 12, 2024.
- (8) Michael Tan was appointed as COO effected May 15, 2020 and President effective June 10, 2022. He resigned from both positions on December 13, 2024, and assumed the role of CEO on the same day.
- (9) In connection with Numinus' acquisition of Novamind Inc., effective as of June 10, 2022, Paul Thielking was appointed as Chief Science Officer and Reid Robison was appointed as Chief Clinical Officer. Neither received any compensation from Numinus prior to June 10, 2022. The amounts set forth above reflect actual compensation received by such NEOs from June 10, 2022 to August 31, 2024. Mr. Robison resigned as Chief Clinical Officer effective March 31, 2024.
- (10) In connection with Numinus' acquisition of Novamind Inc., Messrs. Thielking and Robison were issued vested Numinus replacement options in exchange for options to purchase common shares of Novamind that these two individuals held at the time of the acquisition.
- (11) Mr. Tan received a Withholding Loan (defined below) of \$236,851. Please see "Indebtedness of Directors and Officers".
- (12) Melony Valleau was appointed as CFO effected March 12, 2024 and resigned effective February 18, 2025 when Kelvin Yang was appointed as Interim CFO. The amounts set forth above reflect actual compensation received by such NEO from March 12, 2024 and resigned effective February 18, 2025.

Omnibus Equity Incentive Plan

Numinus adopted the Plan to attract and retain officers, employees, directors and consultants of Numinus and/or its affiliates, and to ensure the interests of key persons are aligned with the success of Numinus and its affiliates.

The following information is intended as a brief description of the Plan and is qualified in its entirety by the full text of the Plan, a copy of which is available under Numinus' SEDAR+ profile at www.sedarplus.ca:

Eligible Participants

Pursuant to the terms of the Plan, individuals who are: (a) employees of Numinus or any of its subsidiaries, (b) persons who work on a full time, part-time or weekly basis for Numinus or any of its subsidiaries providing services normally provided by an employee and who are under the control and direction of Numinus or a subsidiary, (c) non-employee directors of Numinus and (d) a consultant, employee or director of a consultant, who is engaged to provide bona fide services to Numinus or any of its subsidiaries, other than in relation to a distribution of securities, and who provides such services under a written contract and who spends or will spend a significant amount of time and attention on the affairs and business of Numinus or a subsidiary, are eligible to participate in the Plan.

Types of Awards

The Plan provides for the grant of options ("**Options**"), restricted share units ("**RSU**"), deferred share units ("**DSU**") and performance share units ("**PSU**") and together with the Options, RSUs and DSUs, collectively referred to as "**Awards**"). All Awards will be granted by an agreement evidencing such grant under the Plan ("**Award Agreements**").

The Plan provides for the grant of other share-based awards to participants ("**Other Share-based Awards**"), which awards would include the grant of Shares. All Other Share-based Awards will be granted by an agreement evidencing the Other Share-based Awards granted under the Plan and are subject to the prior approval of the TSX.

Plan Administration

The Plan will be administered by the Board (the "**Plan Administrator**"). The Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the eligibility for Awards to be granted and the individuals to whom grants of Awards may be made;
- (b) make grants of Awards, in such amounts, to such persons and, subject to the provisions of the Plan, on such terms and conditions as it determines including:
 - (i) the time or times at which Awards may be granted;
 - (ii) the conditions under which: (A) Awards may be granted to participants; or (B) Awards may be forfeited to Numinus, including any conditions relating to the attainment of specified performance goals;
 - (iii) the number of Shares subject to the Awards;
 - (iv) the exercise price to be paid by a participant in connection with the purchase of Shares subject to any Options;
 - (v) whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any Awards, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability, vesting, or waiver of termination regarding any Awards, based on such factors as the Plan Administrator may determine;
- (c) establish the form or forms of Award Agreements;
- (d) cancel, amend, adjust or otherwise change the type of or the terms and conditions of any Awards under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of the Plan;
- (e) construe and interpret the Plan and all Award Agreements;
- (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable laws; and
- (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Plan.

Shares Available for Awards

Subject to adjustments as provided for under the Plan, including certain adjustments related to options outstanding under the prior omnibus equity incentive plan, the maximum number of Shares issuable pursuant to Awards outstanding at any time under the Plan shall not exceed 10% of the aggregate number of Shares outstanding from time to time on a non-diluted basis; provided that the acquisition of Shares by Numinus for cancellation shall not constitute non-compliance with the Plan for any Awards outstanding prior to such purchase of Shares for cancellation. The Plan is considered to be an "evergreen" plan, since the Shares covered by Awards which have been exercised or terminated will be available for subsequent grants under the Plan and the total number of Awards available to grant increases as the number of issued and outstanding Shares increases.

The aggregate number of Shares, (a) issuable to insiders (as defined in the Plan) at any time under all of Numinus' security based compensation arrangements may not exceed 10% Numinus' total issued and outstanding Shares; and (b) issued to insiders within any one-year period, under all of Numinus' security based compensation arrangements may not exceed 10% of Numinus' total issued and outstanding Shares; provided that the acquisition of Shares by Numinus for cancellation shall not constitute non-compliance with the Plan for any Awards outstanding prior to such purchase of Shares for cancellation.

Blackout Period

If a date of grant occurs or an Award expires during a time when an undisclosed material change or material fact in the affairs of Numinus exists, the date of grant for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after which there is no longer such undisclosed material change or material fact, and the Market Price (as defined in the Plan) with respect to the grant of such Award shall be calculated based on the five business days immediately preceding the date of grant.

Options

An Option entitles a holder thereof to purchase a Common Share at an exercise price set at the time of the grant, which exercise price must in all cases be not less than the Market Price on the date of grant (the "**Exercise Price**").

Market Price shall be the volume weighted average trading price of the Shares on the TSX, for the five trading days immediately preceding the date of grant (or, if such Shares are not then listed and posted for trading on the TSX, on such stock exchange on which the Shares are listed and posted for trading as may be selected for such purpose by the Board); provided that, for so long as the Shares are listed and posted for trading on the TSX, the Market Price shall not be less than the market price, as calculated under the policies of the TSX; and provided, further, that with respect to an Award made to a U.S. taxpayer, such participant and the number of Shares subject to such Award shall be identified by the Board or the Committee (as defined in the Plan) prior to the start of the applicable five trading day period. In the event that such Shares are not listed and posted for trading on the TSX (or any other exchange on which the Shares are or may be listed from time to time), the Market Price shall be the fair market value of such Shares as determined by the Board in its sole discretion and, with respect to an Award made to a U.S. taxpayer, in accordance with Section 409A of the Code (as defined in the Plan).

The term of each Option will be fixed by the Plan Administrator, but may not exceed 10 years from the grant date.

Restricted Share Units

An RSU is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of Numinus which entitles the holder to receive one Common Share for each RSU after a specified vesting period determined by the Plan Administrator, in its sole discretion. Upon settlement, holders will receive (a) one fully paid and non-assessable Common Share in respect of each vested RSU, (b) subject to the approval of the Plan Administrator, a cash payment, or (c) a combination of Shares and cash as contemplated by paragraphs (a) and (b). The cash payment is determined by multiplying the number of RSUs redeemed for cash by the Market Price on the date of settlement. Settlement of RSUs must occur no later than the final business day of the third calendar year following the year in the RSUs were granted.

The number of RSUs granted at any particular time will be calculated by dividing (i) the amount of any compensation that is to be paid in the RSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Common Share on the date of grant.

Deferred Share Units

A DSU is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of Numinus which entitles the holder to receive one Common Share for each DSU on a future date, generally upon termination of service with Numinus. Upon settlement, holders will receive (a) one fully paid and non-assessable Common Share in respect of each vested DSU, (b) subject to the approval of the Plan Administrator, a cash payment, or (c) a combination of Shares and cash as contemplated by paragraphs

(a) and (b). The cash payment is determined with reference to the Market Price in the same manner as with RSUs.

The number of DSUs granted at any particular time will be calculated by dividing (i) the amount of any compensation that is to be paid in the DSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Common Share on the date of grant.

Performance Share Units

A PSU is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of Numinus which entitles the holder to receive one Common Share for each PSU on a future date, generally upon the achievement of certain performance goals within Numinus as determined by the Plan Administrator. Upon settlement, holders will receive (a) one fully paid and non-assessable Common Share in respect of each vested PSU, (b) subject to the approval of the Plan Administrator, a cash payment or (c) a combination of Shares and cash as contemplated by paragraphs (a) and (b). The cash payment is determined with reference to the Market Price in the same manner as with PSUs. Settlement of PSUs must occur no later than the final business day of the third calendar year following the year in the PSUs were granted.

Dividend Equivalents

RSUs, PSUs and DSUs shall be credited with dividend equivalents in the form of additional RSUs, PSUs and DSUs, as applicable. Dividend equivalents shall vest in proportion to, and settle in the same manner as, the Awards to which they relate. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Common Share by the number of RSUs, PSUs and DSUs, as applicable, held by the participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places.

Vesting and Exercisability

Subject to the Plan, the Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Awards. The vesting schedule of any Awards granted pursuant to the Plan shall be stated in the grant agreement for such Awards.

Cashless Exercise

A participant may, in lieu of exercising an Option for cash, elect to surrender such Option to Numinus in consideration for an amount from Numinus equal to (a) the Market Price of the Shares issuable on the exercise of such Option (or portion thereof) as of the date such Option (or portion thereof) is exercised, less (b) the aggregate Exercise Price of the Option (or portion thereof) surrendered relating to such Shares, (the "**In-the-Money Amount**") divided by the Market Price per Common Share as of the date such Option (or portion thereof) is exercised. Numinus shall satisfy payment of the In-the-Money Amount by delivering to the participant such number of Shares (rounded down to the nearest whole number) having a fair market value equal to the In-the-Money Amount.

Term

Although the Plan does not stipulate a term for Awards granted thereunder, other than Options, they must vest and settle in accordance with the provisions of the Plan and any applicable grant agreement, which grant agreement may include an expiry date for a specific Award.

Effect of Termination on Awards

At such time that a participant ceases to be a director, employee, consultant or officer of Numinus, which either of directors or officers may be consultants or employees, or any subsidiary of Numinus due to the resignation or termination of a participant's employment with Numinus with cause, all unvested Awards held by the participant shall expire and immediately terminate for no consideration.

At such time that a participant ceases to be a director, employee, consultant or officer of Numinus, which either of directors or officers may be consultants or employees, or any subsidiary of Numinus due to the termination of a participant's employment with Numinus without cause, then a portion of any unvested Awards shall immediately vest, such portion to be equal to the number of unvested Awards held by the participant as of the termination date multiplied by a fraction the numerator of which is the number of days between the date of grant and the termination date and the denominator of which is the number of days between the date of grant and the date any unvested Awards were originally scheduled to vest, which vested Awards may be exercised or surrendered to Numinus by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) the date that is 90 days after the termination date. Any Award that remains unexercised or has not been surrendered to Numinus by the participant shall be immediately forfeited upon the termination of such period.

A participant's eligibility to receive further grants of Awards under the Plan shall cease at (A) the date that Numinus or a subsidiary of Numinus, as the case may be, provides the participant with written notification that the participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the termination date; or (B) the date of the death, disability or retirement of the participant.

Unless the Plan Administrator, in its discretion, otherwise determines, Awards shall not be affected by a change of employment or consulting agreement or arrangement or directorship within or among Numinus or a subsidiary of Numinus provided that the participant continues to be a director, employee or consultant, as applicable, of Numinus or a subsidiary of Numinus.

Notwithstanding the foregoing, the Plan Administrator may, in its discretion, at any time prior to or following the events contemplated above, or in an employment agreement, grant agreement or other written agreement between Numinus or a subsidiary of Numinus and the participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, in the manner and on the terms as may be authorized by the Plan Administrator.

Where a participant becomes disabled, any Award held by such participant that has not vested as of the date of the disability of such participant shall vest on such date and may be exercised or surrendered to Numinus by the participant at any time until the expiry date of such Award.

Where a participant's employment, consulting agreement or arrangement is terminated by reason of death, any Award held by the participant that has not vested as of the date of the death of such participant shall vest on such date and may be exercised or surrendered to Numinus by the participant at any time during the period that terminates the earlier of: (a) the expiry date of such Award; and (b) one year from the date of death of such participant.

Change in Control

Except as may be set forth in an employment agreement, grant agreement or other written agreement between Numinus or a subsidiary of Numinus and the participant, the Plan Administrator may, without the consent of any participant, take such steps as it deems necessary or desirable, including to cause:

- (a) the conversion or exchange of any outstanding Awards into or for rights of substantially equivalent value, as determined by the Plan Administrator in its discretion, in and entity participating in or resulting from a Change in Control (as defined in the Plan);
- (b) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control;
- (c) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization;
- (d) of the participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the participant's rights net of any exercise price payable by the participant, then such Award may be terminated by Numinus without payment);
- (e) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or
- (f) any combination of the foregoing.

In taking any of the foregoing actions, the Plan Administrator will not be required to treat all Awards similarly in the transaction (subject to applicable stock exchange approval, if required). Notwithstanding the foregoing, in the case of Awards held by a participant that is a resident of Canada for the purposes of the Tax Act (as defined in the Plan) (a "**Canadian Taxpayer**"), the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to the terms of a change of control) any property in connection with a change of control other than rights to acquire shares of a corporation or units of a "mutual fund trust"(as defined in the Tax Act) of Numinus or a "qualifying person"(as defined in the Tax Act) that does not deal at arm's length (for the purposes of the Tax Act) with Numinus, as applicable, at the time such rights are issued or granted.

Assignability

Except as required by law, the rights of a participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged unless otherwise approved by the Plan Administrator.

Amendment, Suspension or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the Shareholders, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant thereto as it, in its discretion, determines appropriate, provided however, that: (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted thereunder may materially impair any rights of a participant or materially increase any obligations of a participant under the Plan without the consent of the participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or exchange requirements; and (b) any amendment that would cause an Award held by a U.S. taxpayer to be subject to the additional tax penalty under Section 409A(1)(B)(i)(II) of the Code (as defined in the Plan) shall be null and void ab initio with respect to the U.S. taxpayer unless the consent of the U.S. taxpayer is obtained.

Specifically, the Plan Administrator may, in good faith, make the following amendments to the Plan without obtaining the approval of the shareholders:

- (a) changes to vesting provisions of each Award;

- (b) amendments to Article 10 of the Plan, which sets out how Awards are treated following the termination of employment or services;
- (c) adding protective covenants for participants, if not prejudicial to their interests;
- (d) other changes deemed necessary or desirable (e.g., due to legal changes), if not harmful to participants or directors; and
- (e) corrections of errors, ambiguities, or inconsistencies, if not prejudicial to participants.

Notwithstanding the foregoing and subject to any rules of the exchange, approval of the holders of the Shares shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting Numinus or its capital;
- (b) increases or removes the limits on Shares issuable or issued to insiders;
- (c) reduces the Exercise Price an Award (for this purpose, a cancellation or termination of an Award of a participant prior to its expiry date for the purpose of reissuing an Award to the same participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions of the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting Numinus or its capital;
- (d) extends the term of an Award beyond the original expiry date (except where an expiry date would have fallen within a blackout period of Numinus);
- (e) permits an Award to be exercisable beyond 10 years from its date of grant (except where an expiry date would have fallen within a blackout period of Numinus);
- (f) increases or removes the limits on the participation of directors;
- (g) changes the eligible participants of the Plan;
- (h) permits Awards to be transferable or assignable other than for normal estate settlement purposes; or
- (i) deletes or reduces the range of amendments which require approval of Shareholders.

Pension Plan Benefits

Numinus does not have a pension plan in place and therefore there were no pension plan benefit awards made to a director or NEO during the financial year ended August 31, 2024.

Employment, Consulting and Management Agreements

In 2020, Numinus entered into employment agreements with Payton Nyquvest and Michael Tan. In December 2024, both Payton Nyquvest and Michael Tan agreed to terminate their employment agreements and transitioned to serve the Company as independent contractors ("**Contractor Agreements**").

Numinus will continue to provide Payton Nyquvest with the extended health benefits he received under his Chief Executive Officer employment agreement until the termination of his Contractor Agreement. In connection with the Contractor Agreement, Numinus also paid him a signing bonus of CAD\$325,000.

Numinus has paid Michael Tan \$23,319.23 for the termination of his employment agreement, and a lump sum payment of CAD\$300,000 for entering into his Contractor Agreement.

In connection with Numinus' acquisition of Novamind Inc. on June 10, 2022, Paul Thielking was appointed as Chief Science Officer. His existing employment agreements were assumed by Numinus, and subsequently amended as described below (the "**Novamind Employment Agreement**").

In connection with Numinus' acquisition of Novamind Inc. on June 10, 2022, Reid Robison was appointed as Chief Clinical Officer. His existing employment was assumed by Numinus, but was later terminated without material consequences to the Company when he resigned as Chief Clinical Officer on March 31, 2024.

Nikhil Handa was appointed as Chief Financial Officer on June 15, 2023 under an employment agreement. Mr. Handa's employment agreement was terminated without material consequences to the Company when he resigned as CFO on March 12, 2024.

Melony Valteau was appointed as Chief Financial Officer on March 12, 2024 under an employment agreement. Ms. Valteau's employment agreement was terminated when she resigned as CFO on February 18, 2025. Numinus paid her a total of USD \$102,860, which includes a bonus payment of USD \$37,500, a severance payment of USD \$50,000, and USD \$15,360 for accrued and unused vacation in 2024.

Termination and Change of Control Benefits

The tables below provide a summary of the termination and change of control benefits provided under each of the Contractor Agreements and the Novamind Employment Agreement and the anticipated incremental costs associated with various termination events as of August 31, 2024.

Type	Payments Due	Other Benefits
<i>Contractor Agreements</i>		
Payton Nyquvest – Termination – No Cause	Unpaid balance of the total service fees (CAD\$300,000) for a period of 12 months after December 16, 2024	N/A
Payton Nyquvest – Change of Control	Nil	N/A
Michael Tan – Termination – No Cause	Nil	N/A
Michael Tan – Change of Control	Nil	N/A
<i>Novamind Employment Agreement</i>		
Termination — No Cause⁽¹⁾⁽²⁾	The greater of (a) a lump sum payment of three (3) months' salary or (b) employee's minimum termination pay in lieu of notice and severance pay entitlements under applicable employment standards legislation	Continuation of all benefits required by applicable employment standards legislation
Change of Control⁽³⁾	The greater of (a) a lump sum payment of three (3) months' salary or (b) employee's minimum termination pay in lieu of notice and severance pay entitlements under applicable employment standards legislation	Continuation of all benefits required by applicable employment standards legislation

Notes:

- (1) NEO is subject to a non-solicitation clause for 12 months following termination of employment, regardless of how his or her employment is terminated.
- (2) Mr. Thielking is subject to a 12-month non-competition clause restricting him in engaging in business in direct competition with Numinus. Non-competition clauses may not be enforceable in certain jurisdictions.
- (3) Mr. Thielking may terminate his employment agreement following a change of control.

In addition to the termination and change of control provisions of the agreements described above in respect of the NEOs, the Plan also contains provisions that affect incentive awards and apply in the context of

termination of employment and change of control, including expiry or accelerated vesting in certain circumstances. See "*Omnibus Equity Incentive Plan*".

Assuming that a triggering event took place on August 31, 2024, Numinus' NEOs would be entitled to the following amounts set out under "*Payments*" below. The amount under "*Acceleration of Awards*" assumes that the vesting of all Awards issued to a NEO are accelerated on the triggering event. This is for illustrative purposes and not an indication as to the future treatment of any Awards upon a triggering event:

Name and Position	Event	Cash Payments	Acceleration of Awards ⁽¹⁾⁽²⁾	Total
Payton Nyquvest	Termination – No Cause	Nil	Nil	Nil
Chief Executive Officer, Chairman and Director	Change of Control	Nil	Nil	Nil
Michael Tan	Termination – No Cause	Nil	Nil	Nil
President Chief Operating Officer and Director	Change of Control	Nil	Nil	Nil
Paul Thielking	Termination – No Cause	87,500 USD	Nil	87,500 USD
Chief Science Officer	Change of Control	Nil	Nil	Nil

Notes:

- (1) In the case of RSUs, DSUs or PSUs (collectively, "**Share Units**"), the value shown equals, the price of the underlying Shares on August 31, 2024, multiplied by the number of Share Units. In the case of Options, the value shown is the difference between the market price on August 31, 2024 and the exercise price for the options, provided that the market price on August 31, 2024 was greater than the exercise price.
- (2) Although no Awards accelerate on termination, any vested share-based awards not paid out or distributed would be paid out or distributed, as applicable, on termination.
- (3) Payton Nyquvest's contactor agreement was signed later than August 31, 2024, and thus is shown nil in the table above.

Directors' and Officers' Liability Insurance

Numinus has directors' and officers' liability insurance as contemplated by section 165 of the *Business Corporations Act* (British Columbia). An aggregate annual premium of \$372,861 was paid by Numinus for directors' and officers' liability insurance in the year ended August 31, 2024. No part of this premium was paid by the directors or officers of Numinus. The insurance coverage under these policies is limited to \$3 million in the aggregate, subject to various sublimits for certain claims ranging from \$50,000 to \$500,000.

Indemnification

In accordance with the *Business Corporations Act* (British Columbia), the Articles of Numinus also provide for the indemnification of a Director or officer, a former Director or officer, or a person who acts or acted at Numinus' request as a Director or officer of a corporation in which Numinus is or was a shareholder or creditor, and such individual's heirs and legal representatives, against any and all costs, charges and expenses reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding to which the individual was made a party by reason of being or having been a Director or officer of Numinus or other entity, if the individual acted honestly and in good faith with a view to the best interests of Numinus, or, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, the individual had reasonable grounds for believing that the individual's conduct was lawful.

Numinus entered into: (a) a written indemnity agreement with each of Larry Timlick and Paul Thielking on June 20, 2023; (b) an employment agreement with Donna Wilson on March 12, 2024 which contains an indemnification clause; (c) a Contractor Agreement (as defined above) with Barbosa Investments Inc. (the management company through which Payton Nyquvest provides his service) on December 16, 2024 which

contains an indemnification clause; and (d) an employment agreement with Kelvin Yang on February 18, 2025 which contains an indemnification clause (together, the "**Indemnity Agreements**"). The Indemnity Agreements generally require that Numinus indemnify and hold the indemnitees harmless to the greatest extent permitted by law for liabilities arising out of the indemnitees' service to the Company as directors or officers, provided that the indemnitees acted honestly and in good faith with a view to the best interests of Numinus and, with respect to criminal and administrative actions or proceedings that are enforced by monetary penalty, the indemnitees had no reasonable grounds to believe that their conduct was unlawful. The Indemnity Agreements also provide for the advancement of defense expenses to the indemnitees by Numinus.

STATEMENT OF DIRECTOR COMPENSATION

The methodology used for determining the remuneration of the Board is similar to that used for the remuneration of NEOs. Levels of remuneration of directors are usually first informally discussed among the members of the Compensation Committee before being formally considered and approved by the Board.

Only the four independent directors of Numinus, being Larry Timlick, Allen Morishita, Donna Wong and Donna Wilson received compensation for their services as directors of Numinus during the fiscal year-ended August 31, 2024. The two non-independent directors, being Payton Nyquvest and Michael Tan do not receive any compensation as directors. The following table sets out information concerning the fiscal year-ended August 31, 2024, compensation earned by, paid to, or awarded to the independent directors of Numinus:

Name	Fees earned (\$)	Share-based Awards ⁽²⁾ (\$)	Option- based Awards ⁽³⁾ (\$)	Non-equity Incentive Plan Compensation (\$)		Pension value (\$)	All other compensation ⁽¹⁾ (\$)	Total (\$)
Larry Timlick Director	40,000	Nil	Nil	Nil	Nil	Nil	Nil	40,000
Allen Morishita⁽⁴⁾ Director	40,000	Nil	Nil	Nil	Nil	Nil	Nil ⁽⁵⁾	40,000
Donna Wong⁽⁶⁾ Director	Nil	120,000	Nil	Nil	Nil	Nil	Nil	120,000
Donna Wilson Director	Nil	120,000	Nil	Nil	Nil	Nil	Nil	120,000

Notes:

- (1) Other compensation comprises Numinus-paid portion of health & dental insurance, personal life insurance, and membership fees to professional associations. None of the NEOs are entitled to perquisites or other personal benefits, which, in the aggregate, are worth over \$50,000 or over 10% of their base salary.
- (2) The dollar amount disclosed is based on the closing price per Shares at the date of each grant, whether vested or not.
- (3) This does not represent cash paid to the NEO. This figure is based on the grant date fair value of such Options. The grant date fair value was determined in accordance with International Financial Reporting Standards. This methodology was chosen in order to be consistent with the accounting fair value used by Numinus in its financial statements, and the Black-Scholes option pricing model is a commonly used methodology for valuing options which provides an objective and reasonable estimate of fair value. Calculating the value of stock options using the Black-Scholes option pricing model is very different from a simple "in-the-money" value calculation. Accordingly, caution must be exercised in comparing grant date fair value amounts with cash compensation or an in-the-money option value calculation.
- (4) Mr. Morishita was a director of the Company until his resignation on January 23, 2025.
- (5) Mr. Morishita received a Withholding Loan (defined below) of \$50,927. Please see "Indebtedness of Directors and Officers".
- (6) Ms. Wong was a director of the Company until her resignation on June 24, 2024.

- (2) Reflects the Shares available for issuance, upon the vesting of Share Units.
- (3) As of August 31, 2024, Numinus had 320,551,600 Shares issued and outstanding, resulting in a total of 32,055,160 (10% of issued & outstanding Shares) in total available securities to be issued under all equity compensation plans.
- (4) Reflects the Shares available for issuance, upon the vesting of Share Units. Share Units represent an obligation to issue Common Shares on the completion of certain milestones under an agreement entered into before the Plan was approved. Such Share Units are counted towards the maximum issuable securities available under all equity compensation plans, being 10% of issued and outstanding Common Shares.
- (5) Calculated by reference to total number issued and outstanding Shares of Numinus as at July 29, 2025, or 320,551,600 Shares.

Burn Rate

In accordance with the policies of the TSX, the following table sets out the annual burn rate of Numinus' security-based compensation arrangements, calculated in accordance with section 613(p) of the TSX manual, for the fiscal years ended August 31, 2024, 2023 and 2022. The burn rate for each year is calculated as the total security-based compensation granted in the applicable year divided by the weighted average number of Shares outstanding for each year. In addition to Options, Numinus began to grant Share Units upon adoption of the Plan on February 24, 2022. Prior the adoption of the Plan, only Options were granted under the prior omnibus equity incentive plan.

Fiscal Year	Number of Options Granted	Number of Share Units Granted	Total Awards Granted	Weighted Average Number of Common Shares	Burn Rate

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

Other than as set out below, no director, executive officer or employee of Numinus, no former director, executive officer or employee of Numinus, no proposed nominee for election as a director of Numinus, and no associate of any such director, executive officer or proposed nominee is, or at any time during Numinus' most recently completed financial year was, indebted to Numinus or indebted to another entity where such indebtedness is or has been the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by Numinus, other than routine indebtedness.

Note:

(1) As at June 29, 2025.

In July and August 2022, the Board approved RSU awards to (a) certain officers vesting on certain milestones, and (b) its independent directors. Following the vesting and exercise of the foregoing RSUs and delivery of the underlying Common Shares in 2022, the company funded withholding taxes of approximately \$446,730 (the “**Withholding Loans**”). The Withholding Loans are not formalized in writing, they bear no interest, and have no fixed term to maturity. Although there is no express understanding or agreement as to limiting recourse in respect of the Withholding Loans, because the Withholding Loans were occasioned by a clerical error of the Company, the Company expects to limit recourse to receipt of proceeds of the sale of that portion of Common Shares issued in connection with RSU issuance which would have been sold had the RSUs been exercised on a cashless basis. No securities were purchased with the proceeds of the Withholding Loans or are any securities being held as security for the Withholding Loans.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed below, elsewhere herein or in Numinus' financial statements for the financial year ended August 31, 2024, to the knowledge of the directors and management of Numinus, no "informed person" (as defined in NI 51-102) of Numinus, no proposed nominee for election as a director of Numinus, and no associate or affiliate of any of these persons, has any material interest, direct or indirect, in any transaction

since the commencement of our last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect Numinus or any of our subsidiaries.

AUDIT COMMITTEE

The Company does not currently comply with the audit committee composition requirements under NI 52-110, which require a minimum of three independent and financially literate directors. Currently, the audit committee is composed of only one director, Larry Timlick, who is independent, and financially literate. The Company is working to address this deficiency. Reference is made to the section entitled "*Audit Committee*" of Numinus' annual information form for the fiscal year ended August 31, 2024 (the "**AIF**"), for required disclosure relating to the Audit Committee, including the text of Numinus' Audit Committee Charter which is attached to the AIF as Appendix "A". The AIF is available on SEDAR+ at www.sedarplus.ca and can be obtained by contacting the Chief Executive Officer of Numinus at 250 - 997 Seymour Street Vancouver, BC V6B 3M1.

CORPORATE GOVERNANCE

National Instrument 58-101 — *Disclosure of Corporate Governance Practices* ("**NI 58-101**") of the Canadian securities administrators requires Numinus to annually disclose certain information regarding its corporate governance practices. Under this heading, Numinus is providing the disclosure required by Form 58-101F1.

Independence

In accordance with NI 58-101, the Board considers a director to be independent if he or she has no direct or indirect material relationship with Numinus or its subsidiaries. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its independent supervision over management by holding regular meetings at which members of management or non-independent directors are not in attendance and by retaining independent consultants where it deems necessary.

Based on the definition of independence and a review of the applicable factual circumstances (including financial, contractual and other relationships), the Board, has determined that half of the Board is independent. The independent Board members are: Larry Timlick and Donna Wilson. The Board has determined that Payton Nyquvest, the former CEO of Numinus and Michael Tan, the current CEO of Numinus, are not independent due to their respective positions with Numinus.

As such, the Company does not currently have a majority of independent directors, as recommended by National Policy 58-201 – *Corporate Governance Guidelines*. The Board seeks to ensure that independent judgment is exercised in all decisions by requiring that all major decisions be reviewed by the independent directors, ensuring the chair of each board committee is independent and encouraging regular in-camera sessions of the independent directors.

Directorships

Certain of the directors are presently a director of one or more other reporting issuers (or equivalent) in a Canadian or foreign jurisdiction, as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)	Exchange
	Perk Labs Inc.	CSE
Larry Timlick	Ohkwari Corporation NV.	DCSX

Meetings

The independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has access to Numinus' external auditors, legal counsel and to any of Numinus' officers.

The Chairman, Payton Nyquvest is not an independent Director and currently, there is no independent "lead director". In the absence of an independent Chairman and lead director, the Board has taken certain steps in order to ensure independent directors are provided with adequate leadership, including: (a) promoting a thorough understanding by the directors and management of the duties and responsibilities of the directors and the distinctions between the role of the directors and the role of management; (b) promoting cohesiveness among the directors; and (c) ensuring processes are in place to monitor legislation and best practices relating to the responsibilities of the Board, and (d) reviewing the effectiveness of the Board, its committees and individual directors on a regular basis. In order to ensure that a balance of authority and objective leadership is maintained, independent directors may hold meetings, or *in camera* sessions during such meetings, at which neither non-independent directors nor officers of the Company will be in attendance when the independent directors deem it prudent to do so. This provides a forum for independent directors to voice their concerns and discuss whether the Board's role and responsibilities are being effectively carried out. The Board ensures open and candid discussion among its independent directors by continuously monitoring situations where a conflict of interest or perceived conflict of interest with respect to a director may exist. In cases where such a conflict of interest or perceived conflict of interest is identified, it is addressed in accordance with the *Business Corporations Act* (British Columbia). The Board may determine that it is appropriate to hold an in-camera session excluding a director with a conflict of interest or perceived conflict of interest, or such director may consider that it is appropriate to recuse him or herself from considering and voting with respect to the matter under consideration.

The Board has held four meetings since the beginning of its most recently completed financial year and all directors attended each meeting. The attendance of each director for all board and committee meetings since the beginning of the most recently completed financial year is set out in the table under the heading "*Matters to be Considered at Meeting — Board Nominees*".

Board of Directors — Roles and Responsibilities

The Board has responsibility for the stewardship of Numinus including responsibility for strategic planning, identification of the principal risks of Numinus' business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of Numinus' internal control and management information systems.

While the Board does not have a written mandate, it sets long term goals and objectives for Numinus and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of Numinus to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to Numinus and its business. The Board is responsible for protecting Shareholders' interests and ensuring that the incentives of the Shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in Numinus' business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of Numinus is authorized to act without board approval, on all ordinary course matters relating to Numinus' business.

The Board also monitors Numinus' compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the Chief Executive Officer and appointing senior management and for monitoring their performance.

Position Descriptions

The Board does not feel that it is necessary at this time to formalize position descriptions for the Chair of each committee of the Board, the Chairman or the Chief Executive Officer in order to delineate their respective responsibilities. Accordingly, the roles of the Chairman, Chair of each committee of the Board and the executive officers of Numinus are delineated on the basis of the customary practice. The Chairman is responsible for leadership of the Board, including the preparation of the agenda in consultation with the Board and its committees, and members of management, presiding the meetings, assigning specific tasks to the members, and in the case of committee chairs, reporting the committee findings to the Board. The Board delineates the role and responsibilities of the Chief Executive Officer through its direct and ongoing oversight and assessment of management's development and execution of corporate strategy. The primary responsibilities of the Chief Executive Officer are to lead the general direction, development and management of the business and affairs of Numinus in accordance with the corporate strategy and objectives approved by the Board, including to develop and recommend to the Board a strategic direction for Numinus, and when approved, implement this direction, foster a culture that promotes ethical practices and individual integrity and, together with Numinus' Chief Financial Officer, design and oversee the effectiveness of the integrity of the disclosure controls and procedures, internal controls over financial reporting and management systems of Numinus.

Orientation and Continuing Education

The Board is responsible for providing orientation for all new recruits to the Board. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of Numinus' business will be necessary and relevant to each new director. Numinus provides continuing education for its directors as the need arises and encourages open discussion at all meetings, which format encourages learning by the directors.

Ethical Business Conduct

As at the date of this Circular, the Board has not adopted a formal written code of business conduct and ethics. However, the small size of the Board and number of officers and employees allows the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. The Board views good corporate governance as an integral component to its success and to meet its responsibilities to Shareholders. As Numinus grows in size and scope, the Board anticipates that it will formulate and implement a formal code of business conduct and ethics. The Board relies on the fiduciary duties placed on individual directors by Numinus' governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of

Numinus. The Board has found that these, combined with the conflict-of-interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board performs the functions of a nominating committee with respect to appointment of directors. The Board believes that this is a practical approach at this stage of Numinus' development. While there are not specific criteria for board membership, Numinus seeks to maintain a Board comprised of talented and dedicated directors with a diverse mix of experience, skills and backgrounds collectively reflecting the strategic needs of the business and the nature of the environment in which Numinus operates. When assessing the Board's composition or identifying suitable candidates, consideration is given to whether a candidate is or would be "independent" and "financially literate" within the meaning of applicable law and the competencies and skills that: (i) are considered to be necessary for the Board, as a whole, to possess; (ii) are considered to be necessary for each existing director to possess; and (iii) each new nominee will bring to the Board. The Board's directors also consider whether or not each new nominee can devote sufficient time and resources to his or her duties as a Board. In addition, to the foregoing criteria Numinus has due regard to the benefits of diversity.

The board discusses nominations as a whole, seeking advice from external advisors as they deem fit, to achieve consensus as to nominations and other governance matters. Further, the Board conducts an annual assessment of its composition and efficacy with the assistance of external counsel. Such assessment is confidential and it designed to elicit unfettered board feedback.

Compensation Committee

The Compensation Committee is appointed by the Board to assist in promoting a culture of integrity throughout Numinus, to assist the Board in setting director and senior executive compensation, and to develop and submit to the Board recommendations with respect to other employee benefits as the Compensation Committee sees fit. In the performance of its duties, the Compensation Committee is guided by the following principles: (a) offering competitive compensation to attract, retain and motivate highly qualified executives in order for Numinus to meet its goals; and (b) acting in the interests of Numinus and the Shareholders by being fiscally responsible. The Compensation Committee responsibility is to review and make recommendations to the Board regarding the corporate goals and objectives relevant to compensation of executives and evaluating their performance in light of those goals and objectives.

The Board relies on the knowledge and experience of the members of the Compensation Committee to set appropriate levels of compensation for senior officers. Neither Numinus or the Compensation Committee currently has, or has had at any time since incorporation, any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer compensation.

When determining compensation payable, the Compensation Committee considers both external and internal data. External data includes general markets conditions and well as information regarding compensation paid to directors, CEOs and CFOs of companies of similar size and at a similar stage of development in the industry. Internal data includes annual reviews of the performance of the directors, CEO and CFO in light of Numinus' corporate objectives and considers other factors that may have impacted Numinus' success in achieving its objectives.

For the year ended August 31, 2024, the Compensation Committee was comprised of three independent directors, namely Allen Morishita, Larry Timlick and Donna Wilson. Allen Morishita resigned from the

board and ceased to be a member of the Compensation Committee on January 23, 2025. The Board believes that the members of the Compensation Committee collectively have the knowledge, experience and background required to fulfill their mandate and is satisfied that the composition of the Compensation Committee ensures an objective process for determining compensation.

Other Board Committees

Other than the Audit Committee described in this Circular under the heading "*Audit Committee*" and the Compensation Committee described above, the Board has no other committees.

Assessments

The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither Numinus nor the Board has adopted formal procedures to regularly assess the Board, the committees or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for Numinus, given its size and operations. The corporate governance practice of Numinus allows it to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

Retirement and Term Limits

Numinus has not adopted term limits for the directors on the Board, nor is there a mandatory retirement age. No such limits have been adopted in order to maintain a balance between ensuring fresh ideas and view points are available to the Board while simultaneously not losing the benefits of experience and continuity contributed by longer serving directors on the Board. The Board believes that the annual assessment process is an efficient and transparent way to evaluate directors, which provides strong motivation for directors to make sure they make a significant contribution to the Board and Numinus.

Diversity and Inclusion

Numinus has not adopted a written diversity policy relating to the identification and nomination of directors or members of senior management that are women. Although the Board acknowledges that diversity, including diversity of experience, perspective, education, race, gender and national origin is of value to Numinus, in considering potential directors and executive officers, the Board will continue to seek the most qualified candidates. The Board generally identifies, evaluates and recommends candidates to become members of the Board or members of senior management with the goal of creating a Board and members of the senior management team that, as a whole, consists of individuals with various and relevant career experience, industry knowledge and experience, and financial and other specialized expertise. The composition of the Board and senior management is primarily a question of experience and expertise brought by each individual. The Board, when searching for candidates, also takes diversity into account. Although the Board does not have a formal diversity policy, it considers diversity in its broadest sense when evaluating candidates, including persons diverse in gender, ethnicity, experience, and background. The Board considers all factors it deems relevant in the process of identifying, evaluating, and recommending

candidates for the Board and senior management. The Board does not have specific targets in respect of appointing women to the Board and in respect of executive officer appointments. As at July 14, 2025, of Numinus' current directors, one (being 25%) is a woman and of none of Numinus' senior management are women (being 0%).

Postponement of Shareholder Meeting

Numinus' 2025 shareholder meeting was postponed to allow the Company additional time to prepare and file its annual financial statements and to work toward having the cease trade order revoked.

MANAGEMENT CONTRACTS

The management functions of Numinus are not to any substantial degree performed by any person other than the executive officers and directors of Numinus.

ARTICLE 3 ADMINISTRATION

3.1 Administration

This Plan will be administered by the Plan Administrator and the Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the individuals to whom grants of Awards under the Plan may be made;
- (b) make grants of Awards under the Plan, whether relating to the issuance of Shares or otherwise (including any combination of Options, Deferred Share Units, Restricted Share Units, Performance Share Units or Other Share-Based Awards), in such amounts, to such Persons and, subject to the provisions of this Plan, on such terms and conditions as it determines including without limitation:
 - (i) the time or times at which Awards may be granted;
 - (ii) the conditions under which:
 - (A) Awards may be granted to Participants; or
 - (B) Awards may be forfeited to the Company,including any conditions relating to the attainment of specified Performance Goals;
 - (iii) the number of Shares to be covered by any Award;
 - (iv) the exercise price to be paid by a Participant in connection with the purchase of Shares covered by any Options;
 - (v) whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;
- (c) establish the form or forms of Award Agreements;
- (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of this Plan;
- (e) construe and interpret this Plan and all Award Agreements;
- (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to this Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
- (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan.

3.2 Delegation to Committee

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by applicable law, the Board may, from time to time, delegate to a committee of the Board (the “**Committee**”) all or any of the powers conferred on the Plan Administrator pursuant to this Plan, including the power to sub-delegate to any member(s) of the Committee or any specified officer(s) of the Company or its subsidiaries all or any of the powers delegated by the Board. In such event, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party.

3.3 Determinations Binding

Except as may be otherwise set forth in any written employment agreement, Award Agreement or other written agreement between the Company or a subsidiary of the Company and the Participant, any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration or interpretation of this Plan is final, conclusive and binding on the Company and all subsidiaries of the Company, the affected Participant(s), their respective legal and personal representatives and all other Persons.

3.4 Eligibility

All Employees, Consultants and Directors are eligible to participate in the Plan, subject to Section 10.1(e). Participation in the Plan is voluntary and eligibility to participate does not confer upon any Employee, Consultant or Director any right to receive any grant of an Award pursuant to the Plan. The extent to which any Employee, Consultant or Director is entitled to receive a grant of an Award pursuant to the Plan will be determined in the discretion of the Plan Administrator.

3.5 Plan Administrator Requirements

Any Award granted under this Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Company is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised, as applicable, in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Plan Administrator. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Company in complying with such legislation, rules, regulations and policies.

3.6 Total Shares Subject to Awards

- (a) Subject to adjustment as provided for in Article 11 and any subsequent amendment to this Plan, the aggregate number of Shares reserved for issuance pursuant to Awards granted under this Plan, including any options granted under previous stock option plans outstanding as of the date of this Plan, shall not exceed 10% of the Company’s total issued and outstanding Shares from time to time. This Plan is considered an “evergreen” plan, since the shares covered by Awards which have been exercised or terminated shall be

available for subsequent grants under the Plan and the number of Awards available to grant increases as the number of issued and outstanding Shares increases.

- (b) To the extent any Awards (or portion(s) thereof) under this Plan are exercised, terminate or are cancelled for any reason prior to exercise in full, any Shares subject to such Awards (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Awards granted under this Plan.
- (c) Any Shares issued by the Company through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall not reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

3.7 Limits on Grants of Awards

Notwithstanding anything in this Plan:

- (a) the aggregate number of Shares:
 - (i) issuable to Insiders at any time under all of the Company's Security Based Compensation Arrangements, including existing awards under the Legacy Plan, shall not exceed 10% of the Company's total issued and outstanding Shares; and
 - (ii) issued to Insiders within any one year period, under all of the Company's Security Based Compensation Arrangements, including existing awards under the Legacy Plan, shall not exceed 10% of the Company's total issued and outstanding Shares,

provided that the acquisition of Shares by the Company for cancellation shall not constitute non-compliance with this Section 3.7 for any Awards outstanding prior to such purchase of Shares for cancellation.

3.8 Award Agreements

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Company is authorized and empowered to execute and deliver, for and on behalf of the Company, any Award Agreement to a Participant granted an Award pursuant to this Plan.

3.9 Non-transferability of Awards

Except as permitted by the Plan Administrator, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under this Plan whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

ARTICLE 4 OPTIONS

4.1 Granting of Options

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Options to any Participant. The terms and conditions of each Option grant shall be evidenced by an Award Agreement.

4.2 Exercise Price

The Plan Administrator will establish the Exercise Price at the time each Option is granted, which Exercise Price must in all cases be not less than the Market Price on the Date of Grant.

4.3 Term of Options

- (a) Subject to any accelerated termination as set forth in this Plan, each Option expires on its Expiry Date.
- (b) Should the Expiry Date fall within a Black-Out Period, such Expiry Date shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Black-Out Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan; provided, in the case of an Option held by a U.S. Taxpayer, that the foregoing extension shall apply only to the extent permitted without taxation under Section 409A.

4.4 Vesting and Exercisability

- (a) The Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Options.
- (b) Once an instalment becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as may be otherwise set forth in any written employment agreement, Award Agreement or other written agreement between the Company or a subsidiary of the Company and the Participant. Each vested Option or instalment may be exercised at any time or from time to time, in whole or in part, for up to the total number of Option Shares with respect to which it is then exercisable. The Plan Administrator has the right to accelerate the date upon which any instalment of any Option becomes exercisable. For greater certainty, no Option shall be exercised by a Participant during a Black-Out Period.
- (c) Subject to the provisions of this Plan and any Award Agreement, Options shall be exercised by means of a fully completed Exercise Notice delivered to the Company.
- (d) The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in this Section 4.4, such as vesting conditions relating to the attainment of specified Performance Goals.

4.5 Payment of Exercise Price

- (a) Unless otherwise specified by the Plan Administrator at the time of granting an Option and set forth in the particular Award Agreement, the Exercise Notice must be accompanied by

payment of the Exercise Price. The Exercise Price must be fully paid by certified cheque, bank draft or money order payable to the Company or by such other means as might be specified from time to time by the Plan Administrator, which may include (i) through an arrangement with a broker approved by the Company (or through an arrangement directly with the Company) whereby payment of the Exercise Price is accomplished with the proceeds of the sale of Shares deliverable upon the exercise of the Option, (ii) through the cashless exercise process set out in Section 4.5(b), or (iii) such other consideration and method of payment for the issuance of Shares to the extent permitted by the Securities Laws, or any combination of the foregoing methods of payment.

- (b) Unless otherwise specified by the Plan Administrator and set forth in the particular Award Agreement, a Participant shall receive upon the exercise of an Option in accordance with the terms of this Plan (instead of payment of the Exercise Price and receipt of Shares issuable upon payment of the Exercise Price) the number of Shares equal to:
 - (i) the Market Price of the Shares issuable on the exercise of such Option (or portion thereof) as of the date such Option (or portion thereof) is exercised, less
 - (ii) the aggregate Exercise Price of the Option (or portion thereof) surrendered relating to such Shares, divided by
 - (iii) the Market Price per Share as of the date such Option (or portion thereof) is exercised.
- (c) No Shares will be issued or transferred until full payment therefor has been received by the Company.
- (d) If a Participant exercises Options through the cashless exercise process set out in Section 4.5(b), to the extent that such Participant would be entitled to a deduction under paragraph 110(1)(d) of the Tax Act in respect of such exercise if the election described in subsection 110(1.1) of the Tax Act were made and filed (and the other procedures described therein were undertaken) on a timely basis after such exercise, the Company will cause such election to be so made and filed (and such other procedures to be so undertaken).

ARTICLE 5

DEFERRED SHARE UNITS

5.1 Granting of DSUs

- (a) The Plan Administrator may fix, from time to time, a portion of the Director Fees that is to be payable in the form of DSUs; provided, that in respect of a U.S. Taxpayer, such a determination must be made in writing (i) for the initial year of this Plan, within 30 days from the Effective Date and only with respect to Director Fees paid for services to be performed after the applicable determination date, and (ii) for subsequent calendar years, prior to the start of the applicable calendar year in which the services will be performed to which such Director Fees relate. Any determination made pursuant to the immediately preceding sentence shall apply with respect to successive calendar years unless and until the Plan Administrator makes a different determination (in writing and only as to future calendar years, in respect of a U.S. Taxpayer). In addition, each Electing Person is given, subject to the conditions stated herein, the right to elect in accordance with Section 5.1(b) to participate in the grant of additional DSUs pursuant to this Article 5. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Article 5 shall

receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The “**Elected Amount**” shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the “**Cash Fees**”).

- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form of Schedule A hereto (the “**Election Notice**”) with the Chief Financial Officer of the Company: (i) in the case of an existing Electing Person, by December 31st in the year prior to the year to which such election is to apply (other than for Director Fees payable for the 2022 financial year, in which case any Electing Person who is not a U.S. Taxpayer as of the date of this Plan shall file the Election Notice by the date that is 30 days from the effective date of the Plan with respect to compensation paid for services to be performed after such date); and (ii) in the case of a newly appointed Electing Person who is not a U.S. Taxpayer, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of an existing Electing Person who is a U.S. Taxpayer as of the Effective Date of this Plan, an initial Election Notice for 2023 may be filed by the date that is 30 days from the Effective Date only with respect to compensation paid for services to be performed after the Election Date; and, in the case of a newly appointed Electing Person who is a U.S. Taxpayer, an Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the Election Date. If no election is made within the foregoing time frames in respect of any applicable year (and no prior-year election is deemed to apply for such year pursuant to Subsection 5.1(c)), the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.
- (c) Subject to Subsection 5.1(d), the election of an Electing Person under Subsection 5.1(b) shall be deemed to apply to all Cash Fees that would be paid subsequent to the filing of the Election Notice, including for subsequent calendar years of service, and accordingly such Electing Person is not required to file another Election Notice for subsequent calendar years (unless such Electing Person desires to change the deferral election for such a subsequent calendar year).
- (d) Each Electing Person who is not a U.S. Taxpayer is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with the Chief Financial Officer of the Company a notice in the form of Schedule B hereto. Such termination shall be effective immediately upon receipt of such notice, provided that the Company has not imposed a “black-out” on trading. Thereafter, any portion of such Electing Person’s Cash Fees payable or paid in the same calendar year and, subject to complying with Subsection 5.1(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her participation in the grant of DSUs pursuant to this Article 5, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs in lieu of cash again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Taxpayer to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Schedule C is delivered.

- (e) Any DSUs granted pursuant to this Article 5 prior to the delivery of a termination notice pursuant to Section 5.1(d) shall remain in the Plan following such termination and will be redeemable only in accordance with the terms of the Plan.
- (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Article 5 will be calculated by dividing (i) the amount of any compensation that is to be paid in DSUs (including Director Fees and any Elected Amount), as determined by the Plan Administrator, by (ii) the Market Price of a Share on the Date of Grant.
- (g) In addition to the foregoing, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant DSUs to any Participant.

5.2 DSU Account

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Company, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

5.3 Vesting of DSUs

Except as otherwise determined by the Plan Administrator, DSUs shall vest immediately upon grant.

5.4 Settlement of DSUs

- (a) DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU Award be settled prior to, or later than one (1) year following, the date of the applicable Participant's Termination Date. Notwithstanding the foregoing, in the case of a U.S. Participant, a DSU Award shall in all events be settled during the period of ninety (90) days commencing on the date of the applicable Participant's separation from service. If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the date of separation from service or Termination Date, as applicable. Except as otherwise provided in an Award Agreement, on the settlement date for any DSU, the Participant shall redeem each vested DSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its discretion.
- (b) Any cash payments made under this Section 5.4 by the Company to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested DSUs may be made through the Company's payroll in the pay period that the settlement date falls within (but not beyond the expiration of the ninety- (90-) day payment window commencing on separation from service, in the case of a U.S. Participant).

- (d) Notwithstanding anything herein to the contrary, the following shall apply to settlement of DSUs held by a Director who is subject to both Section 409A and the Tax Act:
 - (i) If a payment in respect of such DSUs would be required to be made at any time but for this Section 5.4(d), and such payment would, if made, comply with the Tax Act but would violate the requirements of Section 409A, then, notwithstanding any other provision of the Plan, unless the Board determines that payment in respect of the DSUs can be made in some other manner and at such other time in compliance with both the Tax Act and Section 409A, such Director shall immediately forfeit such DSUs (for the avoidance of doubt, without compensation therefor in any manner whatsoever).
 - (ii) If a payment in respect of such DSUs would be required to be made at any time but for this Section 5.4(d), and such payment would, if made, comply with Section 409A but would violate the Tax Act, then, notwithstanding any other provision of the Plan, unless the Board determines that payment in respect of the DSUs can be made in some other manner and at such other time in compliance with Section 409A without violating the Tax Act, such payment shall be made to a trustee to be held in trust for the benefit of such Director in a manner that causes the payment to be included in such Director's income under the Code and does not violate the Tax Act, and amounts shall thereafter be paid out of the trust for the benefit of such Director solely at such time (if ever) and in such manner as complies with the requirements of the Tax Act.

ARTICLE 6

The terms and conditions of each RSU grant shall be evidenced by an Award Agreement.
- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Article 6 will be calculated by dividing (i) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Share on the Date of Grant.

6.2 RSU Account

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Company, as of the Date of Grant.

6.3 Vesting of RSUs

The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of RSUs.

6.4 Settlement of RSUs

- (a) The Plan Administrator shall have the sole authority to determine the settlement terms applicable to the grant of RSUs; provided, that in the case of a U.S. Taxpayer, settlement of any particular RSU shall in all events occur within a predetermined period of time not exceeding ninety (90) days and specified in an Award Agreement, and, for clarity, acceleration of the vesting of an RSU shall not affect the timing of settlement except as may be provided in Section 10.1. Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant shall redeem each vested RSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its discretion.

- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Company's payroll in the pay period that the settlement date falls within (but not outside of the payment window specified for U.S. Taxpayers).
- (d) Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU, under this Section 6.4 any later than the final Business Day of the third calendar year following the year in which the RSU is granted.

ARTICLE 7 PERFORMANCE SHARE UNITS

7.1 Granting of PSUs

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant PSUs to any Participant in respect of services rendered in the year of grant. The terms and conditions of each PSU grant shall be evidenced by an Award Agreement. Each PSU will consist of a right to receive a Share, cash payment, or a combination thereof (as provided in Section 7.6(a)), upon the achievement of such Performance Goals during such performance periods as the Plan Administrator shall establish.

7.2 Terms of PSUs

The Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the termination of a Participant's employment and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable Award Agreement.

7.3 Performance Goals

The Plan Administrator will issue Performance Goals prior to the Date of Grant to which such Performance Goals pertain. The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied to performance relative to an index or comparator group, or on any other basis determined by the Plan Administrator. The Plan Administrator may modify the Performance Goals as necessary to align them with the Company's corporate objectives, subject to any limitations set forth in an Award Agreement or an employment or other agreement with a Participant. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

7.4 PSU Account

All PSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Company, as of the Date of Grant.

7.5 Vesting of PSUs

The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of PSUs.

Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any PSU, the Participant shall redeem each vested PSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its discretion.
- (b) Any cash payments made under this Section 7.6 by the Company to a Participant in respect of PSUs to be redeemed for cash shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the settlement date.

ARTICLE 8 OTHER SHARE-BASED AWARDS

The Plan Administrator may, from time to time, subject to the prior approval of the Exchange, the provisions of this Plan, and such other terms and conditions as the Plan Administrator may prescribe, grant Other Share-Based Awards to any Participant. The terms and conditions of each Other Share-Based Award grant shall be evidenced by an Award Agreement. Each Other Share-Based Award shall consist of a right (1) which is other than an Award or right described in Article 4, Article 5, Article 6, and Article 7 above, and (2) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Plan; provided, however, that such right will comply with applicable law. Subject to the prior approval of the Exchange, the terms of the Plan and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards. Shares or other securities delivered pursuant to a purchase right granted under this Article 8 will be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, other property, or any combination thereof, as the Plan Administrator shall determine in its discretion.

ARTICLE 9 ADDITIONAL AWARD TERMS

9.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, as part of a Participant's grant of DSUs, PSUs or RSUs (as applicable) and in respect of the services provided by the Participant for such original grant, DSUs, PSUs and RSUs (as applicable) shall be credited with dividend equivalents in the form of additional DSUs, PSUs or RSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (i) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of DSUs, PSUs or RSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (ii) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's account shall vest and shall be settled (in accordance with Section 5.4, 6.4 or 7.6, as applicable) on the same schedule as the DSUs, PSUs or RSUs, as applicable, to which they relate.
- (b) The foregoing does not obligate the Company to declare or pay dividends on Shares, and nothing in this Plan shall be interpreted as creating such an obligation.

9.2 Blackout Period

In the event that the Date of Grant occurs, or an Award expires, at a time when an undisclosed material change or material fact in the affairs of the Company exists, the effective Date of Grant for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after which there is no

longer such undisclosed material change or material fact, and the Market Price with respect to the grant of such Award shall be calculated based on the five business days immediately preceding the effective Date of Grant; provided, in the case of an Award held by a U.S. Taxpayer, that the foregoing delays shall apply only to the extent permitted without taxation under Section 409A.

9.3 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Company the minimum amount as the Company or an Affiliate of the Company is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Company or an Affiliate of the Company, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Company may (a) withhold such amount from any remuneration or other amount payable by the Company or any Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Company of the net proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount.

9.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Company or the relevant subsidiary of the Company and in effect at the Date of Grant of the Award, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 9.4 to any Participant or category of Participants.

ARTICLE 10 TERMINATION OF EMPLOYMENT OR SERVICES

10.1 Termination of Employment, Services or Director

Subject to Section 10.2, unless otherwise determined by the Plan Administrator or as set forth in an employment agreement, Award Agreement or other written agreement, and other than in the case of DSUs and related dividend equivalent rights held by a Director, which shall be settled in accordance with Sections 5.4 and 9.1(a):

- (a) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Company or a subsidiary of the Company for Cause, then any Option or other Award held by the Participant that has not been exercised or settled as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment, consulting agreement or arrangement is terminated by the Company or a subsidiary of the Company without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or

adequate compensation in lieu of such reasonable notice) then (i) a portion of any unvested Options or other Awards (excluding PSUs) shall immediately vest, such portion to be equal to the number of unvested Options or other Awards held by the Participant as of the Termination Date multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date any unvested Options or other Awards were originally scheduled to vest, (ii) after the vesting provided in Section (i), all unvested PSUs, Options and other Awards shall be forfeit and immediately cancelled on the Termination Date; and (iii) vested Options or other Awards may be exercised or surrendered to the Company for cancellation without exercise by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 90 days after the Termination Date. Any Option or other Award that remains unexercised or has not been surrendered to the Company by the Participant shall be immediately forfeited upon the termination of such period;

- (c) where a Participant becomes Disabled, or a Participant's employment, consulting agreement or arrangement is terminated by reason of the death of the Participant, then any Option or other Award held by the Participant that has not vested as of the date of the Disability or death, as applicable, of such Participant shall vest on such date and may be exercised or surrendered to the Company for cancellation without exercise by the Participant or the Participant's estate, as applicable, at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the date of the Disability or death, as applicable, of such Participant. Any Option or other Award that remains unexercised or has not been surrendered to the Company by the Participant shall be immediately forfeited upon the termination of such period;
- (d) where a Participant's employment, consulting agreement or arrangement is terminated due to Retirement, then any Option or other Award held by the Participant that has not vested as of the date of such Retirement shall continue to vest in accordance with its terms and may be exercised or surrendered to the Company for cancellation without exercise by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the Participant's date of Retirement. Any Option or other Award that remains unvested and/or unexercised or has not been surrendered to the Company by the Participant shall be immediately forfeited upon the termination of such period. Notwithstanding the foregoing, if, following his or her Retirement, the Participant commences (the "**Commencement Date**") employment, consulting or acting as a director of the Company or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any Person that carries on or proposes to carry on a business competitive with the Company or any of its subsidiaries, as determined by the Board in its sole discretion, any Option or other Award held by the Participant that has not been exercised or has not been surrendered to the Company by the Participant as of the Commencement Date shall be immediately forfeited and cancelled as of the Commencement Date;
- (e) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:
 - (i) the date that the Company or a subsidiary of the Company, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the Termination Date; or

- (ii) the date of the death, Disability or Retirement of the Participant; and
- (f) notwithstanding Subsection 10.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Company or a subsidiary of the Company for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Company or a subsidiary of the Company.

10.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 10.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, Award Agreement or other written agreement between the Company or a subsidiary of the Company and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator, and subject to Sections 409A, 422 and 424 in the case of Awards held by U.S. Taxpayers.

ARTICLE 11 EVENTS AFFECTING THE COMPANY

11.1 General

The existence of any Awards does not affect in any way the right or power of the Company or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Company's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Company, to create or issue any bonds, debentures, Shares or other securities of the Company or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 11 would have an adverse effect on this Plan or on any Award granted hereunder.

11.2 Change in Control

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Company or a subsidiary of the Company and the Participant:

- (a) The Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iii) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon

the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Company without payment); (iv) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (v) any combination of the foregoing. In taking any of the actions permitted under this Subsection 11.2(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Subsection 11.2(a)) any property in connection with a Change in Control other than rights to acquire shares of a corporation or units of a "mutual fund trust" (as defined in the Tax Act), of the Company or a "qualifying person" (as defined in the Tax Act) that does not deal at arm's length (for purposes of the Tax Act) with the Company, as applicable, at the time such rights are issued or granted.

- (b) Subject to any required Exchange or regulatory approval, notwithstanding Subsection 11.2(a), and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Company may terminate all of the Awards granted under this Plan (other than Options held by Canadian Taxpayers) at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, or in the case of Options held by a Canadian Taxpayer by permitting the Canadian Taxpayer to surrender such Options to the Company for an amount for each such Option equal to the fair market value of such Option as determined by the Plan Administrator, acting reasonably, upon the completion of the Change in Control (following which such Options may be cancelled for no consideration).
- (c) Any actions contemplated under this Section 11.2 or otherwise in connection with a Change in Control will be taken solely to the extent they comply with the requirements of Section 409A, 422 and/or 424 of the Code, as may be applicable, with respect to Awards granted to U.S. Taxpayers. Any payments or other consideration otherwise payable in respect of an Award in connection with a Change in Control shall, in the case of an Award held by a U.S. Participant, be limited, accelerated or delayed, as applicable, to the minimum extent necessary to comply with Section 409A, 422 and/or 424, as applicable. Without limitation of the foregoing:
 - (i) Any Option held by a U.S. Taxpayer that is continued, assumed or substituted shall, in connection with such action, be adjusted solely in accordance with Sections 409A and 424 of the Code, as applicable.
 - (ii) Any Award held by a U.S. Taxpayer that is subject to Section 409A shall be paid, if ever, solely in accordance with its originally applicable schedule; provided, that if the Change in Control is a "change in control event" as defined under Section 409A, the Board may determine in its sole discretion to terminate the Plan with respect to, and settle vested Awards held by, U.S. Taxpayers in accordance with Section 409A. In the event of such a Plan termination, the number of PSUs that are deemed to be vested shall be determined in by the Board in its sole discretion.

11.3 Reorganization of Company's Capital

Should the Company effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Company that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end. Any actions taken under this Section 11.2 will comply with the requirements of Section 409A, 422 and/or 424 of the Code, as may be applicable, with respect to Awards granted to U.S. Taxpayers.

11.4 Other Events Affecting the Company

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Company and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end. Any actions taken under this Section 11.2 will comply with the requirements of Section 409A, 422 and/or 424 of the Code, as may be applicable, with respect to Awards granted to U.S. Taxpayers.

11.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 11.3 and 11.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 11.3 and 11.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate vesting of any unvested Awards, subject to the requirements of Section 409A where applicable in the case of Awards granted to U.S. Taxpayers.

11.6 Issue by Company of Additional Shares

Except as expressly provided in this Article 11, neither the issue by the Company of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

11.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly (whether as a result of any adjustment under this Article 11, a dividend equivalent or otherwise), a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares, and no payment or other adjustment will be made with respect to the fractional Share, which shall be disregarded.

ARTICLE 12

U.S. TAXPAYERS

12.1 Provisions for U.S. Taxpayers

The provisions of this Article 12 apply with respect to each Award granted to or held while a U.S. Participant.

12.2 Options – General

Options granted under this Plan to U.S. Taxpayers may be non-qualified stock options (“**NQSOs**”) or incentive stock options qualifying under Section 422 of the Code (“**ISOs**”); provided, that (a) an NQSO may be granted to a U.S. Taxpayer only if, with respect to such U.S. Taxpayer, the Company is an “eligible issuer of service recipient stock” within the meaning of Section 409A, and (b) an ISO may be granted to any employee (but not a Director or Consultant) of the Company or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Sections 424(e) and (f) of the Code. Each Option shall be designated in the Award Agreement as either an ISO or an NQSO (or, if not so designated, shall be an NQSO). An Option granted as an ISO shall, to the extent it fails to qualify as such under the Code, be treated as an NQSO to the maximum degree possible. The Company shall not be liable to any Participant or to any other Person if it is determined that an Option does not qualify for any intended tax treatment.

12.3 ISOs

The following provisions shall apply, in addition to the other provisions of this Plan that are not inconsistent therewith, to Options intended to qualify as ISOs:

- (a) Each provision of the Plan and each Award Agreement governing an ISO shall be construed to the maximum extent possible so that each ISO shall qualify as such in accordance with the provisions of Sections 422 and 424 of the Code, and any provisions of an Award Agreement that cannot be so construed shall be disregarded.
- (b) Subject to any limitations in (and as a subset of the total pool of Shares reserved for issuance generally under) Section 3.6, the aggregate number of Shares reserved for issuance pursuant to the exercise of ISOs shall be 100,000 Shares, subject to adjustment as provided for in Article 11.

12.4 ISO Grants to 10% Shareholders

- (a) Notwithstanding anything to the contrary in this Plan, if an ISO is granted to a person who owns shares representing more than 10% of the voting power of all classes of shares of the Company or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Section 424(e) and (f) of the Code, on the Date of Grant, the term of the Option shall not exceed five years and the Exercise Price shall be at least 110% of the Market Price of the Shares subject to the Option.

12.5 \$100,000 Per Year Limitation for ISOs

- (a) To the extent the aggregate Market Price as at the Date of Grant of the Shares for which ISOs are exercisable for the first time by any person during any calendar year (under all plans of the Company) exceeds \$100,000, such excess ISOs shall be treated as NQSOs, for which purpose, ISOs will be taken into account in the order in which they are granted.

12.6 Disqualifying Dispositions

- (a) Each person awarded an ISO under this Plan shall notify the Company in writing immediately after the date he or she makes a disposition or transfer of any Shares acquired pursuant to the exercise of such ISO if such disposition or transfer is made (i) within two (2) years from the Date of Grant or (ii) within one (1) year after the date such person acquired the Shares (or, if later, the date such person vested in such Shares). Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the person in such disposition or other transfer, and such other information as the Company may reasonably require. The Company may, if determined by the Plan Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable person until the end of the later of the periods described in (i) or (ii) above, subject to complying with any instructions from such person as to the sale of such Shares.
- (b) Notwithstanding that the Plan shall be effective when adopted by the Board, no ISO granted under the Plan may be exercised until the Plan is approved by the Company's shareholders, and if such approval is not obtained within twelve (12) months after the date of the Board's adoption of the Plan, then all ISOs previously granted shall terminate for no consideration and shall cease to be outstanding. The Board shall in addition obtain shareholder approval within twelve (12) months before or after any material amendment to the Plan (including any increase in the total number of Shares that may be issued as ISOs under the Plan or any change in the class of employees eligible to receive ISOs under the Plan).
- (c) No ISOs shall be granted more than ten (10) years following the date the Plan was adopted or, if earlier, the date the Plan was approved by the Company's shareholders.
- (d) Each holder of an ISO is hereby advised to consult with his or her personal tax advisor, prior to taking any of the following actions, as to the U.S. federal income tax consequences of such actions: (1) the exercise of an ISO on a cashless basis (i.e., net exercise); (2) the exercise of an unvested ISO; and (3) the modification of an outstanding Option in such a manner as would provide an additional benefit to an U.S. Taxpayer, including a reduction of the Exercise Price or extension of the expiration date.
- (e) Options held by a Participant following termination of employment (other than due to death) shall be eligible for treatment as ISOs only if exercised within (a) twelve (12) months following such termination of employment if due to Disability, or (b) three (3) months following such termination of employment if for any other reason.
- (f) An ISO shall be neither transferable nor assignable by the holder thereof other than by will or the laws of descent and distribution and may be exercised during the holder's lifetime only by such holder.

12.7 Settlement of PSUs and RSUs

- (a) On or as soon as practicable following the vesting date of an RSU or PSU, the Company shall issue from treasury the number of Common Shares that is equal to the number of vested RSUs or PSUs held by the Participant as at the vesting date (rounded down to the nearest whole number), as fully paid and non-assessable Common Shares (net of Common Shares withheld to satisfy any applicable withholding taxes). Upon settlement of such RSUs or PSUs, the corresponding number of such securities credited to the Participant's account shall be cancelled and the Participant shall have no further rights, title or interest with respect thereto. For further clarity, with respect to a RSU or PSU

held by a U.S. Taxpayer, settlement shall occur within 90 days following the vesting date originally specified in the Award Agreement pursuant to which such RSU or PSU was granted.

12.8 Section 409A

- (a) This Plan and each Award granted hereunder are intended, and will be construed and interpreted, to be exempt from, or where not so exempt, to comply with, Section 409A. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A, the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A. The Company reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A. In no event will the Company or any of its subsidiaries or Affiliates be liable for any tax, interest or penalties that may be imposed on a Participant under Section 409A or any damages for failing to comply with Section 409A.
- (b) All terms of the Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A if necessary to comply with Section 409A.
- (c) With respect to U.S. Participants, the acceleration or delay of the time or schedule of any vesting or payment under the Plan that is subject to (or would make an Award subject to) Section 409A is prohibited except as provided in regulations and administrative guidance promulgated under Section 409A. Accordingly, the Plan Administrator, in its sole discretion, may permit a change in the time or schedule of payment of a U.S. Taxpayer's Awards subject to Section 409A solely under circumstances that constitute permissible acceleration events under Section 409A.
- (d) To the extent that any payment or benefit under the Plan is subject to Section 409A and is payable upon termination of a U.S. Taxpayer's employment, consulting or other service relationship, then such payment or benefit will be payable only upon the U.S. Taxpayer's "separation from service" as determined under Section 409A, and "separation," "termination," "termination of employment" and like terms will be construed accordingly.
- (e) Notwithstanding any provisions of the Plan to the contrary, in the case of any "specified employee" within the meaning of Section 409A who is a U.S. Taxpayer, distributions of non-qualified deferred compensation subject to Section 409A made in connection with a separation from service (other than due to death) may not be made prior to the date which is six months after the date of separation from service (or, if earlier, the date of death of the U.S. Taxpayer). Any amounts subject to a delay in payment pursuant to the preceding sentence shall be paid as soon practicable, and in all events within thirty (30) days, following such six-month anniversary of such separation from service, and any remaining payments will be made on the original schedule.

12.9 Section 83(b) Election

If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Shares subject to vesting or other forfeiture conditions, the Participant shall be required to promptly file a copy of such election with the Company.

12.10 U.S. Withholding

Without limitation of Section 9.3 of the Plan, the Company shall have the power and the right to deduct or withhold automatically from any consideration deliverable in respect of an Award held by a U.S. Participant, or require a U.S. Participant to remit to the Company, an amount sufficient to satisfy all U.S. federal, state and local taxes required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan.

12.11 No Guarantees Regarding Tax Treatment

U.S. Taxpayers (and their beneficiaries) shall be responsible for all taxes with respect to any Awards under the Plan. The Plan Administrator and the Company make no guarantees to any Person regarding the tax treatment of Awards or payments made under the Plan. Neither the Plan Administrator nor the Company has any obligation to take any action to prevent the assessment of any tax on any Person with respect to any Award, whether under Section 83, 409A or 457A of the Code or otherwise, and neither the Company nor any Affiliate thereof nor any of their respective employees or representatives shall have any liability to any Person with respect thereto.

12.12 Plan Not Subject to ERISA

The Plan is not subject to the Employee Retirement Income Security Act of 1974, as amended.

ARTICLE 13 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

13.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Company, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements; and
- (b) any amendment that would cause an Award held by a U.S. Taxpayer to be subject to taxes, penalties or interest under Section 409A shall be null and void *ab initio* with respect to the U.S. Taxpayer unless the consent of the U.S. Taxpayer is obtained.

13.2 Shareholder Approval

Notwithstanding Section 13.1 and subject to any rules of the Exchange, approval of the holders of the Shares shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, or the number of Shares permitted to be issued pursuant to ISOs, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;

- (b) increases or removes the 10% limits on Shares issuable or issued to Insiders as set forth in Subsection 3.7(a);
- (c) reduces the exercise price of an Award (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (d) extends the term of an Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within five business days following the expiry of such a blackout period);
- (e) permits an Award to be exercisable beyond 10 years from its Date of Grant (except where an Expiry Date would have fallen within a blackout period of the Company);
- (f) increases or removes the limits on the participation of Directors;
- (g) permits Awards to be transferred to a Person other than for normal estate settlement purposes;
- (h) changes the eligible participants of the Plan or the classes of employees to which ISOs may be granted; or
- (i) deletes or reduces the range of amendments which require approval of shareholders under this Section 13.2.

13.3 Permitted Amendments

Without limiting the generality of Section 13.1, but subject to Section 13.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to the provisions set out in Article 10;
- (c) making any amendments to add covenants of the Company for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or
- (e) making such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent

provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 14 MISCELLANEOUS

14.1 Legal Requirement

The Company is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Company of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

Without limitation of the foregoing, the Company's obligation to issue and deliver Shares under any Award is subject to: (i) the completion of such registration or other qualification of such Shares or obtaining approval of such regulatory authority as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Shares to listing on any stock exchange on which such Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Company shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which such Shares are then listed. The Company may endorse such legend or legends upon the certificates for, or other evidences of, Shares issued upon the exercise or settlement of an Award and may issue such "stop transfer" instructions to its transfer agent in respect of such Shares as, in its absolute discretion, it determines to be necessary or appropriate.

14.2 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

14.3 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Employee, Consultant or Director. No Participant has any rights as a shareholder of the Company in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

14.4 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Company from taking corporate action which is deemed by the Company to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

14.5 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Plan shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Company or a subsidiary of the Company, as the case may be, on the other hand, the provisions of the Plan shall prevail.

14.6 Anti-Hedging Policy

By accepting the Option or Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

14.7 Participant Information

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer the Plan (including as to whether the circumstances described in Section 10.1(d) or 12.4 exist). Each Participant acknowledges that information required by the Company in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

14.8 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Company to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Company does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.

14.9 International Participants

With respect to Participants who reside or work outside Canada, the Plan Administrator may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

14.10 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Company and its subsidiaries.

14.11 General Restrictions on Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being

subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

14.12 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

All written notices to be given by a Participant to the Company shall be delivered personally, or by mail, postage prepaid, addressed as follows:

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the internal laws of the Province of British Columbia and the federal laws of Canada applicable therein, without reference to conflicts of law rules.
