MeridianLink Appoints Yael Zheng to its Board of Directors

12/30/2021

COSTA MESA, Calif.--(BUSINESS WIRE)-- **MeridianLink, Inc.** (NYSE: MLNK), a leading provider of modern software platforms for financial institutions and consumer reporting agencies, today announced the appointment of Yael Zheng, experienced board member and software marketing executive, to its board of directors.

An industry veteran, Zheng brings more than 20 years of software leadership to the role. Her experience as chief marketing officer for multiple companies includes growing several private companies from early stage to initial public offering, and then scaling operations post-IPO. Most recently serving as chief marketing officer of Bill.com, Zheng's responsibilities included leading all marketing functions to help establish the company as a category leader of accounts payable automation software for SMBs. Prior to joining Bill.com, Zheng served as the head of marketing at VMware and Medallia during times of significant growth and change.

"As MeridianLink closes another record year as the trusted market leader, it is fitting to welcome another trusted software leader to our board," said Paul Zuber, MeridianLink's chair of the board. "Yael's proven history of scaling organizations, her operational excellence, particularly in marketing, and her strategic leadership will strengthen our board's capabilities. We look forward to working with her."

Zheng currently serves as an independent director on the board of Poly and as a member of the Nominating and Corporate Governance Committee. She is also a board director for Splashtop, a private SaaS company providing cloud-based remote access and support software and services to 30 million users worldwide. Previously, she served as an independent director on the board of Stella Connect, acquired by Medallia in September 2020. Zheng is NACD (National Association of Corporate Directors) Directorship Certified™ and holds a bachelor's degree in materials

science and engineering from the Massachusetts Institute of Technology and an MBA from UC Berkeley Haas School of Business.
