MeridianLink Product Innovator Named as National Mortgage Professional 40 Under 40 Winner

12/6/2023

COSTA MESA, Calif.--(BUSINESS WIRE)-- **MeridianLink, Inc.** (NYSE: MLNK), a leading provider of modern software platforms for financial institutions and consumer reporting agencies, today announced that its director of product management for MeridianLink® Mortgage, David Wieczorek, has been named among the National Mortgage Professional (NMP) 40 Under 40 award recipients. Honorees were chosen based on industry contributions and impact.

"In every profession, the future is written by the next generation as they bring fresh perspectives and new energy," said Vincent Valvo, CEO and editor-in-chief of National Mortgage Professional. "NMP asked for your nominations, and you came through with a diverse and talented selection of 40 people truly unleashing their talents to better the mortgage industry. Congratulations to our 40 Under 40 winners."

Wieczorek has spent the latter half of his 16-year MeridianLink tenure leading the mortgage solutions division as its director of product. During this time, he designed the PriceMyLoan product and pricing engine, seamlessly bridged the MeridianLink® Consumer and Mortgage LOS functionalities, launched powerful lender customization and automation tools, and guided the company through intricate solution updates driven by compliance regulations, including TRID, HMDA, and the redesigned URLA. He recently oversaw the launch of MeridianLink® Mortgage Access, a fully integrated POS solution that helps financial institutions slash application and approval times for consumers. Under his leadership, the division has achieved double-digit annualized growth in active mortgage LOS customers.

"David's role in shaping mortgage lending offerings at MeridianLink cannot be overstated, and we are proud to see

his work recognized,” said Devesh Khare, chief product officer at MeridianLink. “His innovative spirit and tireless contributions to build a better mortgage experience are a large part of the reason why MeridianLink Mortgage is the proven, end-to-end LOS that it is today.”

Lenders choose MeridianLink Mortgage, a cloud-native and 100% browser-based offering, for its robust and customizable workflow automation that empowers them to swiftly scale their business. Its powerful open APIs facilitate seamless integration with a wide array of trusted vendor partners, enabling customers to build custom extensions to the LOS. The platform's comprehensive suite of tools includes a best-in-class native product and pricing engine, a native electronic document management system, and versatile web portals catering to both the consumer direct and third-party origination (TPO) business channels. MeridianLink Mortgage is designed to streamline the mortgage origination process at every step, helping lenders reduce costs and decrease their time to close.
