This Charter supersedes all prior charters in connection with any previously existing audit committee of the Company or any of its subsidiaries. This Charter shall be made available on the Company’s website at ZurnWaterSolutions.com.

A. Purpose

1. The purpose of the Committee is to assist the Board with its oversight and monitoring responsibilities regarding (i) the integrity of the Company’s consolidated financial statements; (ii) compliance with legal and regulatory requirements, including those related to audit, internal accounting and internal controls, by the Company and its subsidiaries; (iii) the independent auditor’s qualifications, independence and performance; and (iv) the performance of the internal accounting and financial controls of the Company and its subsidiaries and the function of the internal audit department.

2. In so doing, the Committee shall endeavor to maintain free and open means of communication between the members of the Committee, other members of the Board, the independent auditor and the financial management of the Company and its subsidiaries. Moreover, the Committee shall be directly responsible for the appointment, compensation, retention, evaluation and oversight of the work of any independent auditor employed by the Company or any of its subsidiaries (including resolution of any disagreement between management of the Company or any of its subsidiaries and the independent auditor regarding financial reporting and pre-approval of all non-audit services) for the purpose of preparing or issuing an audit report or related work, and the independent auditor shall report directly to the Committee.

3. In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s Amended and Restated Certificate of Incorporation (as may be amended from time to time, the “Certificate of Incorporation”) and the Company’s Amended and Restated By-Laws (as may be amended from time to time, the “By-Laws”). The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee’s sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board.

B. Composition and Qualifications

1. The Committee shall consist of at least three (3) members of the Board. The members, including the chairperson of the Committee, shall be appointed by action of the Board, on the recommendation of the Corporate Governance and Nominating Committee of the Board, and shall serve at the discretion of the Board. The chairperson of the Committee shall be designated by the Board or, if no such designation is made, shall be selected by the affirmative vote of a majority of the Committee. The Board may remove or replace any member of the Committee at any time by the affirmative vote of a majority of the Board.

2. Each Committee member shall meet any and all qualifications and knowledge requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Securities and Exchange Commission (the “SEC”) and the New York Stock Exchange (“NYSE”). Each Committee member shall be financially literate or must become financially literate within a reasonable period of time after his or her appointment to the Committee. 4. In the case of a Committee member who is serving on the audit committee of more than three public companies, the Board must determine that such service would not impair the member’s ability to effectively serve on the Committee and disclose such determination in the Company’s proxy statement or on its website.
