You are receiving this notification as Lightspeed Commerce Inc. (the “**Company**”) has decided to use the notice and access model for delivery of its management information circular (the “**Management Information Circular**”) and its annual report for the fiscal year ended March 31, 2026 (the “**Annual Report**” and, together with the Management Information Circular, the “**Proxy Materials**”) to its shareholders and to advise that the Proxy Materials for the above noted shareholders’ meeting are available on the Internet. Using the notice and access model for delivery reduces the Company’s environmental footprint and substantially reduces its printing and mailing costs. This communication presents only an overview of the more complete Proxy Materials that are available to you on the Internet. We remind you to access and review all of the important information contained in the Management Information Circular and other proxy-related materials before voting.

The Proxy Materials and other relevant materials are available at:

<https://docs.tsxtrust.com/LSPD/EN> AND

investors.lightspeedhq.com AND

www.sedarplus.com

How to obtain paper copies of the Proxy Materials

The Company will provide a paper copy of the Proxy Materials to any shareholder upon request, free of charge, for a period of 1 year from the date the Management Information Circular is filed on SEDAR+.

You may request a paper copy of the Proxy Materials at any time before the meeting on the web at <https://docs.tsxtrust.com/LSPD/EN>, by contacting TSX Trust Company at 1-888-433-6443 (toll free in Canada and the United States) or 416-682-3801 (other countries), or by email at tsxt-fulfilment@tmx.com. Please be sure to keep your proxy form or voting instruction form, because you will not receive another copy if you request a paper copy of the Proxy Materials. Please allow a period of 3 business days for processing your request as well as usual mailing times. To receive the Proxy Materials in advance of the proxy voting deadline and the date of the meeting, we estimate that requests for paper copies must be received no later than 5:00 p.m. (ET) on July 15, 2026. After the meeting, such requests may be made by calling the same numbers or sending an email to the same email indicated above, and the Proxy Materials will then be sent within 10 calendar days of such request.
