COMPENSATION COMMITTEE CHARTER

I. PURPOSE

The Compensation Committee (the "Committee") shall provide assistance to the Board of Directors (the "Board of Directors") of 10x Genomics, Inc. (the "Company") by fulfilling the Committee's responsibilities and duties outlined in this Charter.

II. STRUCTURE AND OPERATIONS

Composition and Qualifications

The Committee shall be comprised of three or more members of the Board of Directors or as may otherwise be permitted by the Nasdaq Stock Market LLC ("Nasdaq") rules, subject to an election by the Company to rely on the transition periods applicable to initial public offerings. Each member shall (i) be determined by the Board of Directors to meet the criteria for independence set forth in the Nasdaq rules and (ii) be a "Non-Employee Director" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Appointment and Removal

The members of the Committee shall be appointed by the Board of Directors and each member shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation, removal, retirement, disqualification or death. The members of the Committee may be removed, with or without cause, by the Board of Directors.

Chairperson

Unless a chairperson of the Committee (the "Chairperson") is selected by the Board of Directors, the members of the Committee shall designate a Chairperson by the majority vote of the full Committee membership. The Chairperson of the Committee will chair all regular sessions of the Committee and is responsible for setting the agendas for Committee meetings. In the absence of the Chairperson of the Committee, the Committee shall select another member to preside.

Delegation to Subcommittees

The Committee may form subcommittees composed of one or more of its members for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; provided, however, that when appropriate to satisfy the requirements of Section 16b-3 of the Exchange Act, any such subcommittee shall be composed solely of two or more members that have been determined to be "Non-Employee Directors" within the meaning of Rule 16b-3 under the Exchange Act.

The Committee may delegate to one or more officers of the Company the authority to make grants and awards of cash or options or other equity securities to any person who is neither a director nor an "executive officer"

of the Company (“executive officer” herein shall have the same meaning as the term “officer” in Rule 16a-1(f) under the Exchange Act) under the Company’s incentive-compensation or other equity-based plans as the Committee deems appropriate and in accordance with the terms of such plan; provided that such delegation is in compliance with the plan and the laws of the State of Delaware. In the event of such delegation, at each meeting of the Committee, the delegated officer(s) shall report to the Committee the awards made since the prior meeting.

III. MEETINGS

The Committee shall meet periodically as circumstances dictate. The Chairperson of the Board of Directors or any member of the Committee may call meetings of the Committee. Unless otherwise restricted by the Company’s certificate of incorporation or bylaws, meetings of the Committee may be held telephonically. In addition, unless otherwise restricted by the Company’s certificate of incorporation or bylaws, the Committee may act by written consent in lieu of a meeting.

As part of its review and establishment of the performance criteria and compensation of executive officers, the Committee should meet separately with the Chief Executive Officer and any other corporate officers, as it deems appropriate. However, the Committee should also meet regularly without such officers present. The Chief Executive Officer may not be present during voting or deliberations with respect to his or her compensation.

All non-management directors who are not members of the Committee may attend meetings of the Committee but may not vote. Additionally, the Committee may invite to its meetings any director, management of the Company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

A majority of the Committee shall constitute a quorum for the transaction of business and the act of a majority of those present at any meeting at which there is a quorum shall be the act of the Committee.

IV. RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be required or appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate and may, in its sole discretion, retain, obtain the advice of and terminate any compensation consultant, legal counsel or other adviser to the Committee. The Committee shall be directly responsible for the appointment, compensation and oversight of any compensation consultant, legal counsel or other adviser retained by the Committee. The Company shall provide appropriate funding, as determined by the Committee, for payment of reasonable compensation to any compensation consultant, legal counsel or other adviser retained by the Committee, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall undertake an independence assessment prior to selecting any compensation consultant, legal counsel or other advisers that will provide advice to the Committee taking into consideration all factors relevant

to such adviser's independence from management, including those factors set forth in Rule 5605(d)(3)(D) of the Nasdaq Listing Rules or as may otherwise be required by Nasdaq from time to time.

The Committee shall evaluate, on at least an annual basis, whether any work provided by the Committee's compensation consultant raised any conflict of interest. Finally, it is expected that the Committee shall pre-approve any services to be provided to the Company or its subsidiaries by any of the Committee's compensation consultants.

2. Review and approve corporate goals and objectives relevant to the Chief Executive Officer's and the other executive officers' compensation, including annual performance objectives, if any.
3. Evaluate the performance of the Chief Executive Officer in light of such goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board of Directors), determine and approve or recommend to the Board of Directors, the annual salary, bonus, equity-based incentives and other significant benefits, direct and indirect, of the Chief Executive Officer.
4. Review and approve, or recommend to the Board of Directors, the annual salary, bonus, equity and equity-based incentives and other significant benefits, direct and indirect, of the executive officers (as defined by Section 16 of the Exchange Act) other than the Chief Executive Officer.

9. Oversee the Company's compliance with applicable rules and regulations of the Securities and Exchange Commission (the "SEC") regarding stockholder advisory votes on executive compensation and the frequency of such votes, as applicable, and proposals received from stockholders on executive compensation matters, as well as management's engagement with stockholders and proxy advisory firms on executive compensation

matters. The Committee will review the results of such votes and consider any implications in connection with the Committee's ongoing determinations and recommendations regarding the Company's executive compensation policies and practices.

10. Review and approve or recommend to the Board of Directors, any employment or service-related contracts or transaction involving current or former directors and executive officers of the Company, and any related compensation, including consulting arrangements, employment contracts, severance or termination arrangements and loans made to or guaranteed for the benefit of such persons by the Company.
11. Consider, on at least an annual basis, management's assessment of whether risks arising from the Company's compensation policies and practices for all employees, including non-executive officers, are reasonably likely to have a material adverse effect on the Company.
12. Review and recommend to the Board of Directors the form and amount of compensation to be paid for service on the Board of Directors and its committees and for service as Chairperson of the Board of Directors or as a chairperson of a committee of the Board of Directors.

Review and approve, or recommend to the Board of Directors, the Company's equity-based plans and, to the extent subject to the approval of the Board of Directors, incentive-compensation and other plans, and administer such plans in accordance with their terms or oversee the activities of the individuals responsible for administering those plans, as applicable.
14. Review and approve, or recommend to the Board of Directors, all equity-based awards, including pursuant to the Company's equity-based plans, subject to the ability of the Committee to delegate authority pursuant to Section II of this Charter.
15. Monitor the Company's regulatory compliance with respect to compensation matters.
16. Monitor compliance by executives with the rules and guidelines of the Company's equity-based plans.
17. Review and approve any stock ownership guidelines for directors and executive officers of the Company and any "clawback" policy of the Company and monitor compliance therewith.
18. Review and monitor any employee retirement, profit sharing and benefit plans.

Reports and Disclosure

19. Report regularly to the Board of Directors including:
 - (i) periodically following meetings of the Committee; and
 - (ii) with respect to such other matters as are relevant to the Committee's discharge of its responsibilities.

The Committee shall provide such recommendations to the Board of Directors as the Committee may deem appropriate. The report to the Board of Directors may take the form of an oral report by the Chairperson or any other member of the Committee designated by the Committee to make such report.

20. Maintain minutes or other records of meetings and activities of the Committee.
21. Review and discuss with management the “Compensation Discussion and Analysis” (the “CD&A”) required to be included in the Company’s annual proxy statement or annual report on Form 10-K, in accordance with the rules of the SEC and, based on that review and discussion, determine whether or not to recommend to the Board of Directors that such CD&A be included in the Company’s annual proxy statement or annual report on Form 10-K, as applicable.
22. Prepare the compensation committee report on executive officer compensation as required by the SEC to be included in the Company’s annual proxy statement or annual report on Form 10-K filed with the SEC.

V. PERFORMANCE EVALUATION

It is expected that the Committee will periodically review and evaluate its performance, including by reviewing its compliance with this Charter. In addition, the Committee shall review and reassess, at least annually, the adequacy of this Charter and recommend to the Board of Directors any improvements to this Charter that the Committee considers necessary or desirable. The Committee may conduct such evaluations and reviews in such manner as it deems appropriate.
