This is the third year in a row DISCO Ediscovery received a Top Rated Award. TrustRadius also

recognized DISCO Ediscovery as one of the top 101 **“Most Loved” software for 2022.**

DISCO Ediscovery is a fast and intuitive platform designed to give users total control over their ediscovery data, workflows, and cost. By helping customers make sense of large document sets quickly and easily by leveraging modern AI and analytics, better legal outcomes result.

“Our customers have always been our biggest advocates, and we are energized by their enthusiastic response to our products and our vision for how technology can strengthen the rule of law,” said DISCO Chief Revenue Officer Andrew Shimek. “Law firms and corporate legal departments recognize how great legal technology can deliver both better business and better legal outcomes, and we are honored that DISCO Ediscovery stands apart as a Top Rated product.”

“DISCO Ediscovery has won a Top Rated Award in the Ediscovery category,” said Megan Headley, VP of Research at

TrustRadius. “These awards are based directly on feedback from their customers. TrustRadius reviewers highlight DISCO’s strong tagging features and ability to store and organize large amounts of documents as well as the vendor’s attentiveness to customer needs.”

Since 2016, the TrustRadius Top Rated Awards have become the industry standard for unbiased recognition of B2B technology products. Based entirely on customer feedback, they have never been influenced by analyst opinion or status as a TrustRadius customer.
