Core & Main Promotes Jeff Giles to Executive Vice President, Corporate Development

ST. LOUIS, March 20, 2024 – [Core & Main Inc.](#) (NYSE: CNM), a leader in advancing reliable infrastructure with local service, nationwide, has promoted Jeff Giles to executive vice president, corporate development.

“This promotion is a well-deserved recognition of the incredible work Jeff has done over the past six years in building a prolific and successful corporate development organization,” said Core & Main CEO Steve LeClair. “Jeff has not only built an incredible team, but he works seamlessly across all areas of our business to deliver value creation in our acquisitions and strategic planning. He is relentless in the pursuit of excellence, always challenging the status quo.”

As executive vice president, corporate development, Giles will continue leading the organization’s strategy and inorganic growth initiatives, overseeing the mergers and acquisitions function, including pipeline development, strategic evaluation, deal structure, valuation, due diligence and negotiation. Working as a member of the executive team, in close partnership with the board of directors, regional leadership and functional teams, Giles has been instrumental in expanding Core & Main’s product and service offerings across both new and existing markets. Core & Main has completed more than 30 acquisitions under Giles’ leadership since he joined the company in March 2018, deploying approximately \$1.6 billion of capital.
