4/7/2022

COLMAR, Pa., April 07, 2022 (GLOBE NEWSWIRE) -- Dorman Products, Inc. ("Dorman") (NASDAQ:DORM), a leading supplier in the automotive aftermarket industry, today published its first Environmental, Social and Governance (ESG) Report. The inaugural report outlines Dorman's approach with respect to a responsible ESG framework across four key pillars: its employees, who Dorman refers to as Contributors; its products and customers; the planet; and corporate responsibility and governance. For this report, Dorman used the results of its first ESG materiality assessment and also referenced standards from the Global Reporting Initiative (GRI) and the Sustainability Accounting Standards Board (SASB) as a basis for identifying topics of relevance for the company and its stakeholders. Dorman's inaugural ESG Report can be found on its Investor Relations portal at www.dormanproducts.com.

"We are pleased to release our first ESG Report, which highlights our ESG priorities and summarizes the foundation of the ESG program upon which we intend to build," said Kevin Olsen, Dorman President and Chief Executive Officer. He added, "Our board of directors and senior leadership team believe our ESG program reflects who we are as a company, and we look forward to sharing our progress in the future."
