

Acquisitions

Overview of Acquisitions History

UNIQUE ADVANTAGES

Experience.

Our experienced team has completed 58* acquisition transactions.

Discipline.

We have a disciplined, proven methodology.

Reputation.

We are known for closing deals we start and for our high-quality transition, integration and servicing capability.

Benefits

Value

The seasoned, stable characteristic of the business segment contributes long-term earnings and improved ROE. The initial capital investment returns quickly and can then be redeployed in other business activity.

Efficiency

We are able to leverage our existing operations and infrastructure to build scale. Integrating acquired business on to our platforms helps lower unit costs and increase operational efficiency.

Capabilities

Transactions provide opportunities to add business capabilities, e.g., new product distribution, administrative methods, technology, strategic business expansion and talent.

Transaction Drivers

OUR CONSIDERATION OF ACQUISITION OPPORTUNITIES IS IMPACTED BY:

- The amount of capital available to invest. Protective ended 2020 with risk-based capital of 490%.
- The potential returns from a transaction. They must compare favorably with alternative capital uses.
- Availability of companies or blocks that we believe will be accretive to earnings.

All financial information is as of December 31, 2020, unless otherwise noted.
