

Modern Slavery Statement

This statement is made pursuant to Section 54 of the Modern Slavery Act of 2015 and constitutes the modern slavery and human trafficking statement for Cyxtera Technology UK Limited ("Cyxtera Technology UK"), a subsidiary of Cyxtera Technologies, Inc. ("Cyxtera"). Cyxtera is a global leader in data centre colocation and interconnection services.

Cyxtera Technology UK serves its data centre customers in the UK by relying on suppliers and vendors that support the operations and maintenance of a number of different functional areas including, but not limited to, power, cooling, network connectivity, security, monitoring systems, and provisioning servers and racks.

In all facets of our business, including, with respect to our employment practices and our supply chain, Cyxtera Technology UK conducts business with the highest standards of integrity, in line with our ethical operating principles and in compliance with all applicable laws and regulations. Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or financial gain. We have a zero-tolerance approach to all forms of modern slavery and human trafficking, and we are committed to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere within our own business or in our supply chains. We expect the same high standards from our contractors, suppliers and other business partners, and we expect that they will hold their own suppliers to the same high standards.

Cyxtera and its subsidiaries operate under a Code of Business Conduct which sets forth the company's values and ethical operating principles. Cyxtera's Code of Business Conduct covers all its subsidiaries, including, Cyxtera Technology UK, and applies to all company officers, directors and employees.

Cyxtera has systems in place to ensure compliance with its Code of Business Conduct, including, requiring that all employees undergo annual training and certification that they will comply with our Code of Business Conduct. As noted in our Code of Business Conduct, we also encourage our employees to report any actual or suspected misconduct, violation of laws, regulations or Cyxtera's Code of Business Conduct, or any ethical concerns.

This statement was approved by the Board of Directors of Cyxtera Technology UK on January 18, 2021.
