

Kimball Electronics Wins 2018 Highest Overall Customer Service Excellence Award

March 9, 2018

JASPER, Ind., March 09, 2018 (GLOBE NEWSWIRE) -- Kimball Electronics, Inc. (NASDAQ:KE) was honored for achieving the Highest Overall Customer Rating in CIRCUITS ASSEMBLY'S 2018 Service Excellence Awards.

CIRCUITS ASSEMBLY recognized companies that received the highest customer service ratings, as judged by their own customers, during a ceremony at the [IPC Apex Expo](#) in San Diego on February, 27, 2018. CIRCUITS ASSEMBLY announced the winners of its 2018 Service Excellence Awards (SEAs) for electronics manufacturing services (EMS) providers and electronics assembly equipment, materials and software suppliers.

The Service Excellence Awards (SEA) results, based on direct customer input, are an indication of outstanding achievement in service excellence. Customers of the participants rated EMS providers in five service categories: Quality, Dependability/Timely Delivery, Responsiveness, Value for Price and Technology.

Kimball Electronics was honored for achieving the Highest Overall Customer Rating in the category for EMS companies with annual sales over \$500 million.

"This is great recognition of the Kimball Electronics team by our customers. Our commitment to service excellence plays a key role in our long term success," stated Chris Thyen, Vice President of Business Development for Kimball Electronics.

Kimball Electronics has participated in the Service Excellence Awards for five consecutive years, winning the Highest Overall Customer Rating in 2014, and awards for excellence categories of Quality, Dependability/Timely Delivery, Responsiveness, Value for Price and Technology in 2015, 2016, and 2017.

This is the 26th year CIRCUITS ASSEMBLY has sponsored the awards program.
