Company Overview

March 2024

Safe Harbor Statement

Certain statements contained within this release are considered forward-looking, including our fiscal year 2024 guidance, under the Private Securities Litigation Reform Act of 1995. The statements may be identified by the use of words such as “expect,” “should,” “goal,” “predict,” “will,” “future,” “optimistic,” “confident,” and “believe.” Undue reliance should not be placed on these forward-looking statements. These statements are based on current expectations of future events and thus are inherently subject to uncertainty. If underlying assumptions prove inaccurate or known or unknown risks or uncertainties materialize, actual results could vary materially from our expectations and projections. These forward-looking statements are subject to risks and uncertainties including, without limitation, global economic conditions, geopolitical environment and conflicts such as the war in Ukraine, global health emergencies, availability or cost of raw materials and components, foreign exchange rate fluctuations, and our ability to convert new business opportunities into customers and revenue. Additional cautionary statements regarding other risk factors that could have an effect on the future performance of the company are contained in its Annual Report on Form 10-K for the year ended June 30, 2023.

Kimball Electronics (Nasdaq: KE)

Global, multifaceted solutions provider of **Electronics Manufacturing Services** (EMS) recognized for excellence and leadership in highly regulated and complex industries

Diversified portfolio of products that offer long runways of growth supported by **secular tailwinds** and program life cycles in the Automotive, Medical, and Industrial end markets

REVENUE AND EPS

FISCAL 2023 HIGHLIGHTS

		Improvement vs PY
REVENUE	**$1,823**	**+35%**
Adj Op Income %*	**4.8%**	**+110 bps**
EPS	**$2.22**	**+79%**
ROIC %*	**9.4%**	**+220 bps**

MMI TOP 50™ RANKING
Ranked by MMI
Manufacturing Market INSIDER
20th Largest Global Electronics Manufacturer

** Non-GAAP measure. Reconciliation available in the Investor Relations section of our corporate website.*

Diversified portfolio focused on 3 end markets

	Automotive	Medical	Industrial
REVENUE *Fiscal 2023 ($ in millions)*	$820	$494	$475
GROWTH *Compared to the prior year*	+41%	+26%	+33%
% of TOTAL *Fiscal 2023*			
MMI RANKING *Calendar 2022*	8th	7th	19th

** Excludes "other" which represented 2% of total company sales. Beginning in fiscal 2024, the Company changed its presentation of revenue for miscellaneous sales previously included in "other". The sales are now included in the respective customer end markets.*

Automotive fueled by vehicle “electrification”

The addition of electronic content could **generate growth 4x the OEMs’ vehicle production rate**

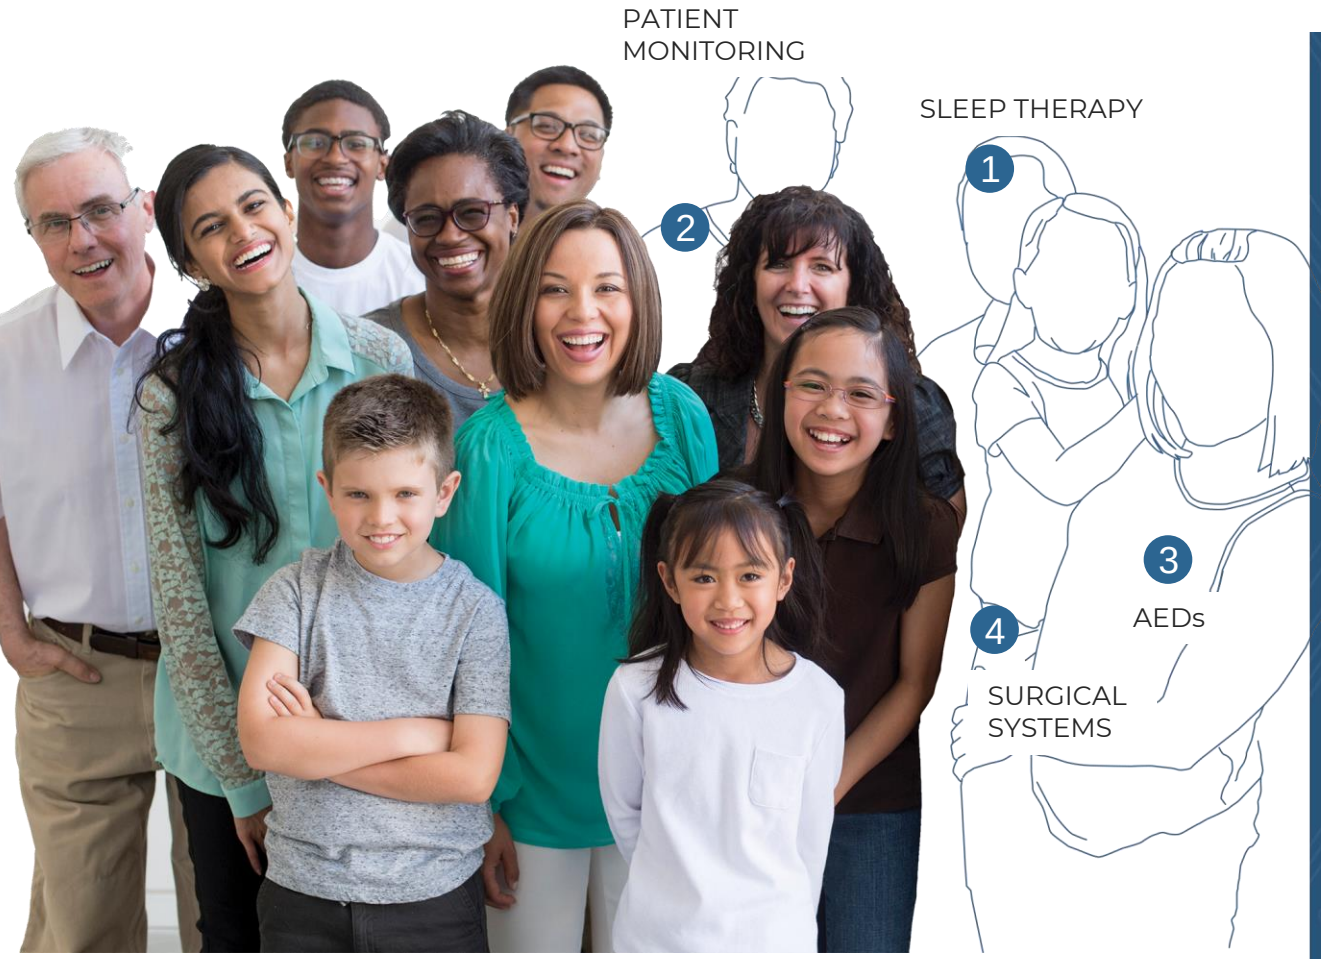

- ~70% of Automotive is **electronic power steering**
- **Next generation braking** also a growth driver
- Architecture similar for ICE, EV, and hybrid vehicles
- Industry requirements align with core competencies
- Value to customers increases as features added
- **“Sticky” business** as programs are frequently single-source
- Programs typically **8-10 years** in length

Guide to long-term success

MISSION

To attract, develop, and maintain long-term, successful relationships with all stakeholders in our business including our customers, employees, suppliers, communities, and Share Owners. To keep our promise to help achieve success with those relationships wherever we go in the world.

VISION

To be the world's most preferred multifaceted manufacturing solutions provider and to set the industry standard for quality, reliability, and service.

PURPOSE

Creating Quality for Life

GUIDING PRINCIPLES

Our **customer** is our business

Our **people** are the company

The **environment** is our home

Profits are the ultimate measure of how efficiently and effectively we serve our customers

Our unique culture is a differentiator

"Our corporate culture is a differentiator in the marketplace and a competitive strength in the industries we serve. It manifests itself in performance while centered on respect and appreciation for others, enriching the lives of our employees with meaningful work and giving back to the communities where we operate. We believe you win with people and our focus is on attracting, developing, and retaining the best and brightest talent available."

Ric Phillips, Chief Executive Officer

2023 DIVERSITY METRICS

50%
of our executive team is female

33%
of our managers are female

14%
of our executive management team is racially diverse

51.5%
of our global workforce is female

83.5%
of our global workforce is outside the U.S.

20%
of our global workforce has been with the company more than 10 years

IN THE U.S.
12% of our workforce is racially diverse; 10% is ethnically diverse; 4% self identify as having a disability; 5% identify as a military veteran

Why Kimball Electronics wins

Manufacturing expertise centered on high levels of complexity, quality, reliability, and durability

Unique corporate culture that manifests itself into performance

Long-term customer relationships driving sustainable growth and enable multi-year planning and operating efficiency

Lasting partnerships with award-winning support

CIRCUITS ASSEMBLY Service Excellence Awards

- Dependability / Timely Delivery
- Technology
- Value for the Price
- Manufacturing Quality

Awards based solely on direct customer input and are an indication of outstanding achievement in service excellence

FY23 net sales by length of customer relationship

4%	Fewer than five years
19%	Five to ten years
77%	Over ten years

The environment is our home

Annual **ESG report** published for calendar 2022

- Poised to Make an Impact
- Available on our corporate website

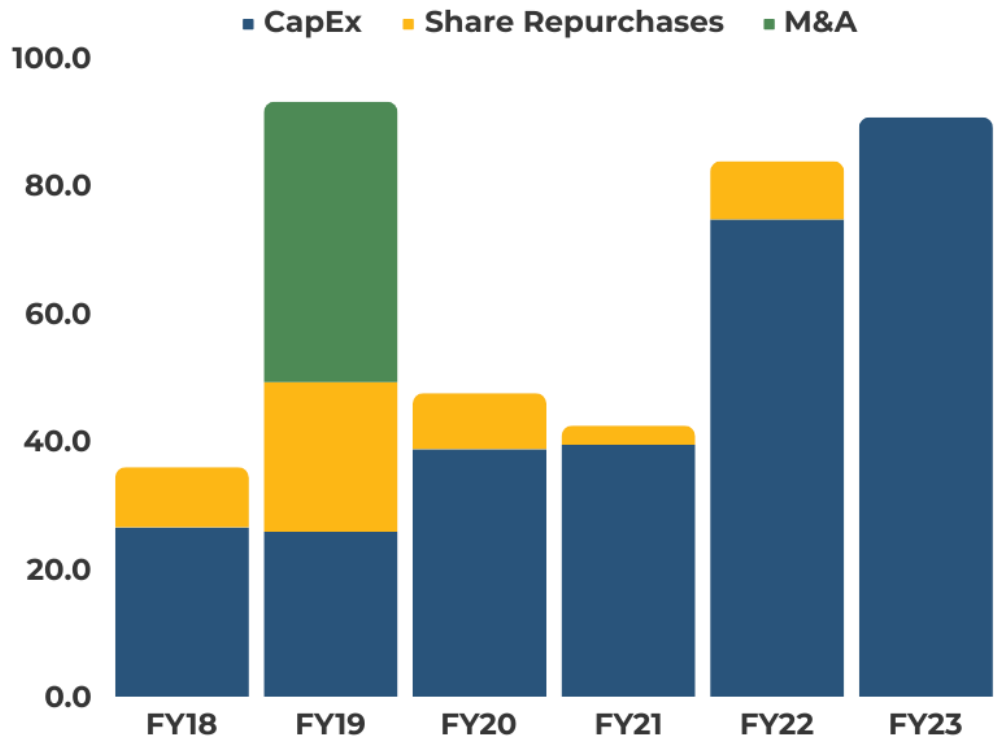

Morningstar Sustainalytics rated KE #1 for ESG risk among electronics manufacturers

ISS Prime ESG corporate rating places KE in the top 10% in the industry

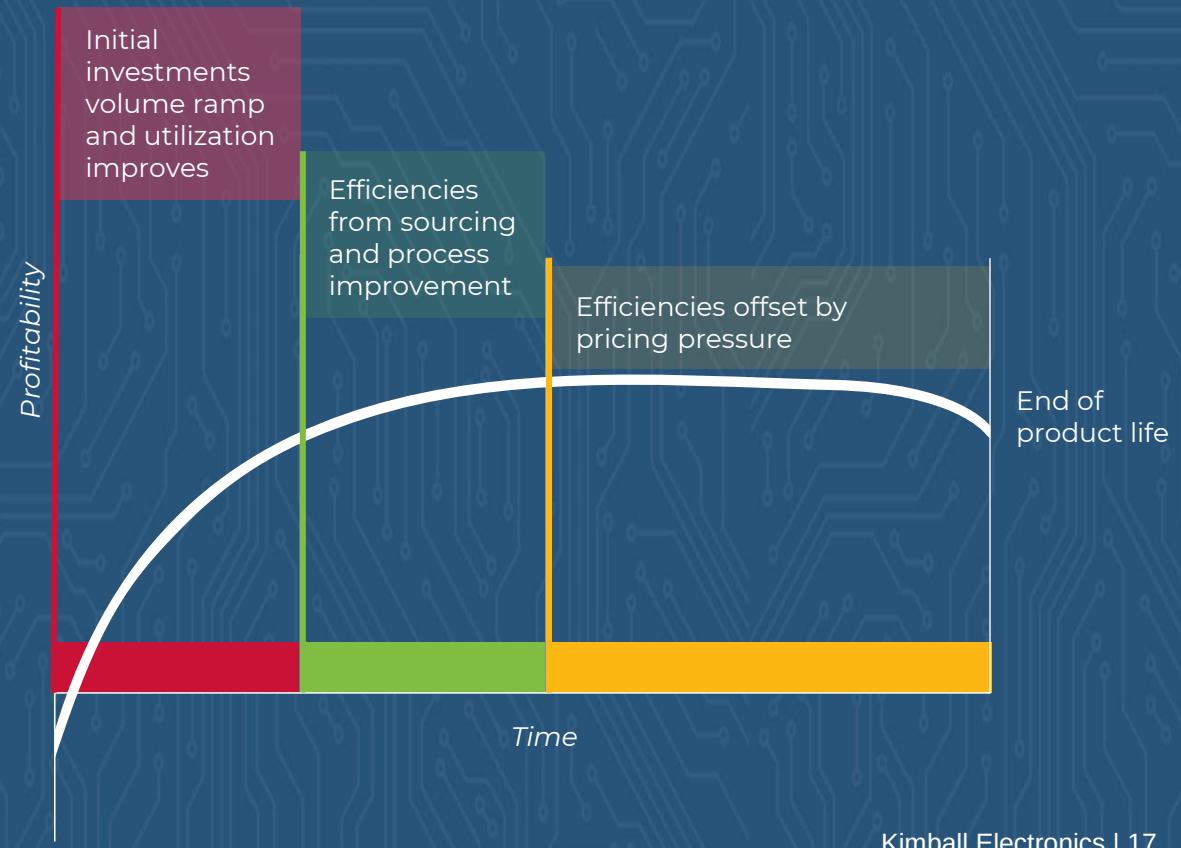

Investing in growth

CAPITAL ALLOCATION

THESE PROGRAMS PROGRESS at a slow and steady pace, allowing for long-term sustainable growth gained through sourcing efficiencies and process improvements.

PROGRAM LIFECYCLES

Guidance for fiscal 2024 as of February 5, 2024

REVENUE	**(2%) - (4%)**	*compared to fiscal 2023*
Adj Op Income %	**4.2% - 4.6%**	*of net sales*
CapEx*	**$70 - $80**	*million*

** Note: guidance did not change from original estimate.*

"Despite near-term choppiness, we did not change our guidance for capital expenditures in fiscal 2024 as we continue to invest in long-term growth opportunities. With a strong funnel of new business supported by favorable industry megatrends, we're deploying a balanced capital allocation strategy focused on organic growth, global expansion, and long-lasting customer relationships."

Jana Croom, Chief Financial Officer
