About Schneider National, Inc.

Schneider is a leading transportation and logistics services company providing a broad portfolio of premier truckload, intermodal and logistics solutions, and operating one of the largest for-hire trucking fleets in North America. We believe we have developed a differentiated business model that is difficult to replicate due to our scale, breadth of complementary service offerings and proprietary technology platform. Our highly flexible and balanced business combines asset-based truckload services with asset-light intermodal and non-asset logistics offerings, enabling us to serve our customers' diverse transportation needs.
