About Naked Wines plc
Naked Wines connects everyday wine drinkers with the world's best independent winemakers.

Why? Because we think it's a better deal for everyone. Talented winemakers get the support, funding and freedom they need to make the best wine they've ever made. The wine drinkers who support them get much better wine at much better prices than traditional retail.

It's a unique business model. Naked Wines customers commit to a fixed prepayment each month which goes towards their next purchase. Naked in turn funds the production costs for winemakers, generating savings that are passed back to its customers. It creates a virtuous circle that benefits both wine drinker and winemaker.

Our mission is to change the way the whole wine industry works for the better. In the last financial year, we served more than 934,000 Angel members in the US, UK and Australia, making us a leading player in the fast-growing direct-to-consumer wine market.

Our customers (who we call Angel members) have direct access to 268 of the world's best independent winemakers making over 2,200 quality wines in 22 different countries. We collaborate with some of the world's best independent winemakers like Matt Parish (Beringer, Stags' Leap) and 8-time Winemaker of the Year Daryl Groom (Penfolds Grange).
