About Naked Wines plc

We set up Naked Wines because we believe that the wine industry could be so much better. The two important people - the wine drinker and the winemaker - could be getting a better deal.

The model we came up with turned out to be ahead of its time…crowdfunding. Our customers support independent winemakers, and in exchange get exclusive access to delicious wines, at preferential prices.

The whole premise of Naked Wines is that you are joining a community and benefiting from the recommendations and experiences of fellow consumers. Our belief is that great wine should be an everyday pleasure, not a privilege. We give talented winemakers the freedom and time to make wines that inspire, supported by a community of passionate wine drinkers, which results in a virtuous circle where everyone is better off; customers get a full experience, not just a product, and the best wines you've ever tasted!

Naked Wines has a fast growing and loyal subscriber base of Angels across its three markets and works with over 200 independent winemakers, producing 1,000+ wines in 17 countries.
